

State Funding

Add-On Funds

This information is intended for use by eligible school districts and charter schools within the state of Utah.

CTE add-on funds are available to school districts and charter schools with approved CTE programs, grades 9-12. The following is required for participation.

1. CTE programs approved by the Utah State Board of Education CTE section
2. CTE membership data submitted with the state Clearinghouse report
 - Courses with approved course codes
 - Qualified instructors
3. Verification of membership data (accomplished through PATI system). Each district and charter school is responsible for accurate information in the PATI system.
4. Class rolls signed by teachers and audited by the Utah State Board of Education

Each district's add-on funds are determined by relative membership and administrative WPU's.

CTE add-on funds are distributed 1/12 per month based on the CTE Ongoing Allocation spreadsheet.
