"SkillsUSA has created opportunities for me that were completely out of the question at the start of my high school career. Now I have attended countless leadership conferences, facilitated statewide learning opportunities, and traveled around the state to places I had never been to before. I have created lifelong friendships, connections with industry leaders and business professionals of almost every trade imaginable."

Dallin, SkillsUSA state vice president

In Utah, CTSOs align with the national CTE Career Clusters® and 34 CTE Career Pathways.

The SkillsUSA Framework illustrates how students fulfill the mission of the organization to empower members to become world-class workers, leaders, and responsible American citizens. SkillsUSA builds and reinforces self-confidence, work attitudes and communications skills. It emphasizes total quality at work—high ethical standards, superior work skills, life-long education, and pride in the dignity of work.

# GOALS

## SkillsUSA Utah Goals for 2023-2024:

1. Build a culture where students and advisors are proud of their membership and affiliation with SkillsUSA.
2. Create positive experiences that will serve to support and celebrate chapters and students across the state of Utah.
3. Open communication and increase social media presence.
4. Improve Utah Leadership and Skills Conference.

# SERVICE

SkillsUSA members don't just have a great passion for what they can achieve, but also for what they can contribute. SkillsUSA Utah strongly encourages student members to actively seek opportunities to provide service to their local communities throughout the year, with a special emphasis on service activities during SkillsUSA Week, February 4-10, 2024.

# TEACHING

SkillsUSA has effective and far-reaching classroom instruction in employability and leadership skills. SkillsUSA is an applied method of instruction for preparing America's high performance workers in public career and technical programs, providing quality education experiences for students through leadership, teamwork, citizenship, and career skill development.

### SkillsUSA: No Limits

"We are SkillsUSA. We are proud. We stand united as one. We are more than a crowd. We are a movement of career-ready students. We have grown by improving our personal skills. We have learned through enhancing our workplace skills. Now we must lead by utilizing our technical skills. It is time to carry our momentum, strengthen our communities, for a better workforce, for a better future. We will further our legacy by inspiring others for a brighter tomorrow. The future won't wait."
