

Junior High/Middle School Model to Increase Parent Involvement

- Made it a priority in our school
- Seek out parents
- Make diversity an important part of it
- Have signs inviting parents to come and be a part of community council, PTSA, and other groups
- Make contact with parents and personally invite them
- Involve parents in helping us get other parents involved
- Quarterly family nights such as movies on the football field, board game night, and carnivals
- LIA night with students and parents
- Community Awareness night
- Work with Elementary Schools and the High School to promote parental involvement
