Neighborhood Charter School

Acceptance of Policy

- 1. I have read the school's mission statement. I commit to supporting the school as it pursues to fulfill this mission.
- 2. I understand the school is a charter school, and that providing parents with meaningful opportunities to volunteer is a vital part of its mission. I understand the school would like our family to provide at least ___ hours of volunteer service each year we have children enrolled at this school in order to help accomplish the mission of the school.
- 3. I will promote the mission of the school by being courteous and respectful when interacting with staff, students, parents and anyone else in the school community. I agree to take any concerns I have directly to the person most able to successfully address those concerns, and not to others who cannot address the concern. I will work in a cooperative manner to promote the school mission.
- 4. I understand that my child will be required to follow the school dress code. I have read and understand the school dress code policy and I will ensure that my child is in compliance with the school dress code policy.
- 5. I understand that part of the school's mission is to help my child gain knowledge and a love of learning. I will support this effort by providing a place and a regular time each school day in which my child can engage in learning activities, including homework, in our home. I will review my child's folder each day and ensure my child completes the assignments in a timely manner.
- 6. I understand the school will not be providing a school lunch program, and that my child will need to bring a snack and a lunch to school each day. I understand that microwaves are available in the classroom and that my child may be allowed to bring a microwaveable lunch on occasion. If I send a microwaveable lunch to school with my child I will ensure he/she is able to safely use the microwave and independently prepare the meal.
- 7. I understand the school will not be providing transportation to and from school, and that I am responsible for making sure that my child is safely dropped off and picked up each school day within the specified time frame published in the school handbook.
- 8. I understand the school has a goal of 95% attendance for students. I will work to schedule outside appointments during times that do not conflict with school hours. I will bring my student to school on time. I understand that if my child is absent 10 consecutive school days he/she may be un-enrolled from the school, according to school guidelines.
- 9. I understand that volunteers may be asked to grade student papers, and any volunteers who do so will be instructed in school confidentiality guidelines. Students will generally correct their own work, but in some rare cases may exchange papers to correct them.
