Testing Information:

Student SSID: Grade:

Which tests will the student be taking this year (check all that apply): USBE recommends that you do not administer both the Interim and Benchmark Modules at the same time.

RISE Summative

RISE Benchmarks

RISE Interim

Utah Aspire Plus Benchmarks

To administer the RISE Braille Test, it is recommended that you use a Tiger ViewPlus Embosser with the latest version of Tiger Suite Software (TSS). Using these will provide optimal test operation.

Embosser:

Do you currently have a Tiger Embosser at the school that can be used for RISE Assessments?

Yes No

If you answered "No" to the previous question; do you need a USBE-provided embosser?

Yes No

Tiger Suite Software (TSS):

Do you currently have TSS installed on the Test Administrator's computer for braille embossing?

Yes No

If you answered "No" to the previous question; do you need a USBE-provided TSS License?

Yes No
