(Verse)

When I do something right I am glad  
If I do something wrong I feel sad  
And I learn from mistakes  
And try not to make them again

(Chorus)

So I choose to do the right thing  
Cause I know the joy it will bring  
If I'm all by myself  
Or asking for help  
I'll lift up my voice  
To make the right choice

(Kids Repeat)

(Bridge, Kids)

If I have a decision to make  
But I don't know which road  
I should take

(Adult)

If you don't know you must turn to  
Someone you trust  
To show the way . . .

(Chorus repeats)
