### State Board Statement on Recent Racist Incidents in Utah

SALT LAKE CITY – In accordance with [Resolution 2021-01](#), the Utah State Board of Education firmly denounces racism in all forms. We want to reiterate our strong opposition to acts of discrimination and prejudice.

As we look forward, we are committed to working with partners on all levels to provide equity in education and encourage students and families to give respect to others, acknowledge differences, and show due regard for others' feelings, rights, cultures, and traditions. We are better together.
