

State Funding

Maintenance of Efforts Funds

This information is intended for use by eligible school districts and charter schools within the state of Utah.

1. To be eligible for CTE add-on funds, school districts and charter schools must first expend the regular WPU for the approved CTE programs grades 9-12.
2. The amount of required regular WPU fund expenditure is shown in the CTE Maintenance of Local Effort spreadsheet.

As defined in [Board Rule R277-911-4](#)
