Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value. [Credentials of Value](#)

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.

Student Testimonial

"The 14 CTE classes I took in high school played a role in preparing me for life after high school. The Entrepreneurship class taught me many skills on how to run my own business. This was my first business class I took in high school and it helped pave the way for future classes and learning."
