

FUTURE HEALTH PROFESSIONALS

Mission: To enhance the delivery of compassionate, quality healthcare by providing opportunities for knowledge, skills, and leadership development of all Health Science education students, thereby helping the student meet the needs of the healthcare community.

- HOSA–Future Health Professionals is the student leadership organization for Health Science Education. Founded in 1976, HOSA brought together students, teachers, and healthcare industry leaders to create an organization that is exclusively committed to healthcare.
- Since 1976, over 2.7 million members have benefitted from the mission of HOSA and the dedication of HOSA advisors. HOSA is the only CTSO with 36 years of continuous membership growth (COVID year excluded).
- Today, HOSA–Future Health Professionals remains committed to making a positive difference in the lives of students by developing their potential for premiere leadership, personal growth, community service, academic scholarships, and unique internships.

2022-2023	Membership	Chapters
National	264,487	5,389
Utah	3,275	97

"HOSA has provided me with opportunities to make a meaningful impact in my community, aligning with my genuine passion. It has also emphasized the significance of embracing new experiences solely for the purpose of learning. My focus has shifted from the notions of 'success' and 'failure' to a dedication to self-improvement as a leader and aspiring healthcare professional."

Saathvik, Utah HOSA president

In Utah, CTSOs align with the national CTE Career Clusters® and 34 CTE Career Pathways.

HOSA members participate in many activities to gain experiences to help them develop life skills, leadership, and technical knowledge related to health science and healthcare skills.

GOALS

Utah HOSA Goals for 2023-2024:

1. Focus on a disease of the month to help educate the community about the disease, causes, and treatments.
2. Increase engagement of HOSA members through the use of technology.
3. Increase postsecondary/collegiate involvement by 50 members.

SERVICE

HOSA encourages Health Science students to provide community service through the adoption of goals and implementation of strategies related to the support of a national healthcare organization. The HOSA service project is Be the Match.

TEACHING

HOSA brings relevance to the classroom through industry-based competitive events, HOSA Leadership University, and community service.

Utah HOSA members are engaged in a wide range of curricula (from foundation courses to specialty courses such as Emergency Medical Technician, Medical Forensics, and Biotechnology).
