Statewide Online Education Program (SOEP) Provider Website Information.

Provider materials that are linked to the Statewide Online Education Program are required to meet the following standards.

- 1) The webpage may be in any generally accepted format (i.e., pdf, html.)
- 2) The webpage must be accessible to anyone who needs technology to help them navigate the page.
- 3) The name of the provider must appear on the webpage as the main header. This is the name of the provider that was approved by USBE.
- 4) Sub headers may be used that have other trademarks or trade names at the provider's discretion, presuming that the provider has obtained rights to have such intellectual property on the webpage.

Example:

- ⊗ Statewide Online Education Program
- ⊗ Enrollment
- ⊗ About Us
- ⊗ Administration
- ⊗ Mentors
- ⊗ Teachers
- ⊗ Contact Us
- ⊗ FAQ's

- 5) There must be a dedicated webpage for the Statewide Online Education Program.
- 6) A link to the course catalog on another web page or another website is not acceptable, however functionality that reveals additional portions of the course catalog on the same web page is acceptable. For example, if there is a course listed with a plus sign next to it that reveals the course description but does not redirect the user to a different web page, that is an acceptable format.
- 7) The course catalog must only include courses will be offered through SOEP. No classes should be listed on the page than will not or cannot be offered to every student in grades 7-12 in the State of Utah.

Each course must have an approved USBE CACTUS Course Code next to it. The current course codes can be found here: <https://www.schools.utah.gov/licensing/humanresources?mid=5270&tid=1>
