HOUSE BILLS											
HB0001S01	Public Education Base Budget Amendments	Rep. Steve Eliason	This bill supplements or reduces appropriations otherwise provided for the support and operation of public education for the fiscal year beginning July 1, 2021, and ending June 30, 2022, and appropriates funds for the support and operation of public education for the fiscal year beginning July 1, 2022, and ending June 30, 2023.	Signed				This bill transfers \$565,264,900 in FY 2023 from the General Fund, Education Fund, or Uniform School Fund into other funds and accounts. This amount includes \$248.1 million to the Public Education Economic Stabilization Restricted Account, \$131.9 million to the Teacher and Student Success Account, \$108.5 million to the Local Levy Growth Account, and additional amounts to other accounts listed in the bill. Enactment of this bill appropriates (\$30,433,600), including \$3,630,500 from the Uniform School Fund for FY 2022, plus \$6,331,963,000, including \$3,939,155,000 from the General, Education, and Uniform School Funds for FY 2023 to the State Board of Education to support the operations of school districts, charter school, and state education agencies and programs. It adjusts categorical programs in the Minimum School Program for anticipated student enrollment growth and increases the value of the Weighted Pupil Unit (WPU) by 2.6 percent for inflation to an initial value of \$3,908. The bill transfers another \$565,264,900 in FY 2023 from the General, Education, and Uniform School Funds into various funds and accounts detailed in the bill. Enactment of this Legislation increases the WPU Value Rate portion of the Basic Tax Rate as outlined in statute for the WPU Value increase provided in the bill. The statutory formula indicates that the WPU Value Rate generate an amount based on the prior-year state and local funding mix supporting the Basic School Program, which is an 82/18 split in FY 2022. As a result, each percent increase in the WPU Value results in a property tax impact of \$6.2 million, or a total of \$16.2 million statewide for the 2.6 percent increase in the WPU Value included in the bill.			Yes
HB0002	New Fiscal Year Supplemental Appropriations Act	Rep. Bradley G. Last	This bill provides budget increases and decreases for the use and support of certain state agencies; provides budget increases and decreases for the use and support of certain institutions of higher education; provides budget increases and decreases for other purposes as described; authorizes capital outlay amounts for certain internal service funds; authorizes full time employment levels for certain internal service funds; and provides intent language.	Enrolled				This bill deposits \$6,320,100 in FY 2023 into the unrestricted General and Education funds. It transfers another \$360,518,500 in FY 2023 from the General/Education funds into other funds and accounts. This bill appropriates \$2,343,659,900, including \$753,914,200 from the General/Education funds for FY 2023. These appropriations support the operations and capital acquisitions of state government, including expendable funds and accounts. It transfers another \$360,518,500 in FY 2023 from the General/Education funds into other funds and accounts.		Bill was amended	Yes
HB0008S01	State Agency Fees and Internal Service Fund Rate Authorization and Appropriations	Rep. Robert M. Spendlove	This bill provides budget increases and decreases for the use and support of certain state agencies and institutions of higher education; authorizes certain state agency fees; au thorizes internal service fund rates; adjusts funding for the impact of Internal Service Fund rate changes; and, provides budget increases and decreases for other purposes as described. Kera Birkeland	<p>This bill imposes limits on participation in female sports, by:</p> <ul style="list-style-type: none"> requiring schools and local education agencies to designate athletic activities by sex; prohibiting a student of the male sex from competing against another school on a team designated for female students; prohibiting certain complaints or investigations based on a school or local education agency maintaining separate athletic activities for female students; providing for severability; <p>in the alternative if a court invalidates the above policy:</p> <ul style="list-style-type: none"> conditions student athlete participation in gender-designated sports in the public education system on the student's birth certificate; establishes the School Activity Eligibility Commission and provides the commission's membership and duties; requires the commission to establish a baseline range of students in a given gender-designated interscholastic activity for a given age; provides that records of the commission related to a specific student are protected; provides immunity from suit for members of the commission; allows a student to participate in a gender-designated interscholastic activity that does not correspond to the sex designation on the student's birth certificate or in the case of a gender transition if the student receives the commission's eligibility approval; provides processes for an athletic association to notify the 	Enrolled				Enactment of this legislation could cost the School Activity Eligibility Commission established in the bill approximately \$4,400 ongoing beginning in FY 2023 for per diem, contracted staff time, and health assessment vouchers, assuming five meetings per year. Actual costs could vary depending on the number of cases the commission considers each year. Additionally, in the event of an individual bringing and winning a lawsuit against a Local Education Agency (LEA) for violations of the sports participation prohibitions outlined in this bill, enactment of this bill could generate costs for the Attorney General to defend the case and for LEAs and State Risk Management in the event of judgments against the LEA. Costs may vary based on the number of cases pursued. In the event of an individual bringing and winning a lawsuit against a Local Education Agency (LEA) for violations of the sports participation prohibitions outlined in this bill, enactment of this bill could generate costs for the LEA in the event of judgments against the LEA. Costs may vary based on the number of cases pursued.		Bill was amended	Yes
HB0021S01	School and Child Care Center Water Testing Requirements	Rep. Stephen G. Handy	<p>This bill addresses water quality for schools and child care centers. This bill requires certain testing of water for lead at schools and child care centers, addresses funding for testing and certain actions, requires action if lead test results equals or exceeds a certain level, addresses rulemaking authority, addresses records that the division shall post, imposes sunset dates, and makes technical changes.</p>	Enrolled				Enactment of this legislation could cost the Department of Environmental Quality (DEQ) \$3,500,000 one-time from previously authorized Federal Funds of the American Rescue Plan Act (ARPA) to issue reimbursements to schools and childcare centers to cover the expenses of testing consumable taps for lead and to provide staff to coordinate sampling and remediation efforts. The Department may also provide reimbursements for the costs of remediating for taps found above the action level for lead. This bill could also cost DEQ up to \$411,500 from previously authorized Federal Funds (non-ARPA) for lead testing in schools and childcare centers. Enactment of this legislation could have a fiscal impact for Local Education Agencies (LEAs) to collect and submit a sample from consumable taps in their facilities to a Certified Laboratory for lead testing. The expense of testing would be paid by the Department of Environmental Quality (DEQ). It is estimated that there are 45,262 consumable taps subject to testing, and 11% of those taps may require action. The average cost for lead remediation is \$281. To the extent that consumable taps are found to be above the action level of 5 parts-per-billion, LEAs could incur expenses of up to \$1,399,000 for remediation actions. Subject to availability of funding from previously authorized Federal grants, these expenses may be reimbursable through DEQ. This figure could be reduced if taps have been tested for lead since January 1st, 2016. Enactment of this legislation could result in a fiscal impact for private schools (who would be required) and childcare centers (who would have the option) to collect and submit a sample from consumable taps in their facilities to a Certified Laboratory. Under this bill, Private Schools and Childcare Centers would not be required to pay for lead testing, however Private Schools would be financially responsible for remediation of taps that test above the		Bill was amended	Yes

HB0061	Postretirement Reemployment Amendments	Rep. Kera Birkeland	This bill provides the circumstances under which a retiree who was a public safety service employee or a teacher immediately before retirement may be reemployed with a participating employer within the one-year separation period without cancellation of the retiree's retirement allowance.	House Rules				Enactment of this bill may cost the state \$1,173,400 ongoing in FY 2023 for increased costs related to public safety and teacher retirement benefits, of which \$575,700 is from the General Fund, and \$55,700 is from the Education Fund. Enactment of this bill may cost local governments, employers, and individuals up to \$5,672,500 beginning in FY 2023.		Unadopted substitute available	No
HB0063S04	Covid-19 Vaccine Exemptions	Rep. Jefferson S. Burton	This bill requires an employer to exempt an employee or a prospective employee from a COVID-19 vaccine requirement if the employee or prospective employee submits a primary care provider's note stating that the employee or prospective employee was previously infected by COVID-19; amends provisions related to recordkeeping; amends scope of provisions; prohibits an employer from keeping or maintaining a record or copy of an employee's COVID-19 test results, except as otherwise required by law.	Enrolled				\$0			Yes
HB0066	Public Employees' Insurance Plan Amendments	Rep. James A. Dunnigan	This bill requires PEHP to discontinue the preferred network for the state risk pool; requires PEHP to enroll a state employee into a remaining network if the employee fails to elect a remaining network.	Enrolled				Enactment of this legislation could result in cost savings to the state health insurance risk pool, and eventually result in avoided rate increases to the state as an employer, but the amount of savings cannot be quantified.		Bill was amended	Yes
HB0075S01	Retirement System Amendments	Rep. James A. Dunnigan	This bill permits a public employees' association to withdraw from the Utah Retirement System; describes the options and procedures for withdrawing from the Utah Retirement System; exempts a withdrawing public employees' association from Public Finance Website disclosure requirements; and modifies the definition of a URS-participating employer in relation to the Utah Public Finance Website. HB0105	Reductions to Income Tax	Rep. Travis M. Seegmiller	This bill amends the corporate franchise and income tax rates; and amends the individual income tax rate.	House Rules				Enactment of this legislation could decrease revenue to the Education Fund by approximately \$320.6 million beginning in FY 2023. Enactment of this legislation could cost the Tax Commission \$24,100 one-time from the Education Fund in FY 2023 to update their systems and forms.			No
HB0113S01	Students with Disabilities Funding Revisions	Rep. Marsha Judkins	This bill requires the State Board of Education to: <ul style="list-style-type: none"> annually review standards and guidelines related to establishing disability classifications; and ensure the standards and guidelines provide school districts and charter schools flexibility to respond to the needs of students with disabilities; permits disability program money to be used for facilities construction and alteration under certain circumstances; amends a formula related to add-on weighted pupil units for students with disabilities.	Enrolled				Enactment of this bill increases the number of Weighted Pupil Units (WPU) for the Special Education Add-on program in the Minimum School Program by 1,607 WPU over the 89,232 WPU previously estimated for FY 2023. At the initial FY 2023 WPU Value of \$3,908 this increase in the number of WPU may cost the State Board of Education \$4,037,000 ongoing and \$2,243,200 one-time from the Uniform School Fund beginning in FY 2023. Subsequent increases in the WPU Value for FY 2023 will increase this estimate. Bill provisions reduce the WPU weighting applied to student growth over the next three fiscal years. The one-time amount mentioned above represents the cost differential between the WPU weighting for FY 2023 at 1.35 and the final weight of 1.0 in FY 2025. Balances in the Minimum School Program - Basic School Program can absorb this differential in FY 2023. In FY 2024 and FY 2025, the differential between the prior year weighting and the new year weighting will be netted in the cost of student enrollment growth.			Yes
HB0114S02	School Nursing Services Amendments	Rep. Suzanne Harrison	This bill provides a definition of a school nurse; amends provisions of the public education code to unify meaning; requires local education agencies to provide a minimum level of nursing services.	Enrolled				Enactment of this legislation could cost each local education agency (LEA) an estimated \$100,000 ongoing per nurse beginning in FY 2023 to compensate school nurses hired to implement the requirements of the bill. Statewide implementation is estimated to cost approximately \$9,500,000 for 95 additional nurses.			Yes
HB0117S03	Victim Address Confidentiality Program	Rep. Stephanie Pitcher	This bill addresses voter registration for individuals participating in an address confidentiality program; defines terms; creates an address confidentiality program in the State Commission on Criminal and Juvenile Justice; describes eligibility and application requirements for program participants; addresses the administrative responsibilities of the State Commission on Criminal and Juvenile Justice in maintaining the address confidentiality program; describes the permitted uses for assigned addresses; addresses the use and disclosure of an address by state and local government entities; addresses service of process, disclosure in judicial and administrative proceedings, and orders relating to custody and parent-time; addresses immunity and the retention and destruction of records.	Enrolled				Enactment of this legislation could cost the Commission on Criminal and Juvenile Justice \$182,400 ongoing from the General Fund beginning in FY 2023 and \$306,300 one-time from the General Fund in FY 2023 for costs related to establishing a new victim address confidentiality program, including costs for personnel, mailing, and data processing. Enactment of this legislation could also cost the following entities the following amounts for system reprogramming costs: Driver License Division \$67,700 one-time in FY 2022 from the General Fund; Board of Pardons and Parole \$5,500 one-time from the General Fund in FY 2022 and \$11,000 one-time from the General Fund in FY 2023; Corrections \$69,700 one-time from the General Fund in FY 2023; Human Services \$13,200 one-time from the General Fund in FY 2023. Enactment of this legislation could also cost Courts \$5,300 one-time from the General Fund in FY 2023 and \$14,200 ongoing from the General Fund beginning in FY 2024 for personnel costs related to redaction of court records.			Yes

HB0211S01	School Fees Amendments	Rep. Adam Robertson	This bill amends definitions; prescribes the fees an LEA may charge a secondary school student for a curricular activity or portions of a co-curricular activity; authorizes an LEA to charge a secondary school student a fee for an extracurricular activity; prohibits an LEA from charging a general fee; amends provisions related to a fee waiver; repeals provisions related to fees for textbooks; prohibits charging a student in grade 6 a fee for a remediation program.	Senate 2nd Reading Circled				Enactment of this legislation prohibits local education agencies (LEAs) from charging certain fees as outlined in the bill. LEAs that currently charge student fees for these purposes may see reduced revenue collections. Estimates from FY 2021 by the State Board of Education indicate LEAs collected \$24.0 million statewide from these fees. Assuming secondary school enrollment in Grades 7 through 12, this amount is approximately \$75 per student. These amounts and the revenue impact on each LEA will vary by LEA depending on their current fees charged and the number of students paying the fee. Individuals currently paying fees to local education agencies (LEAs) for categories prohibited in this legislation may see a reduction in the amount of fees paid. This amount will vary depending on current LEA fee schedules. Estimates indicate that the total revenue collected from general fees is \$24.0 million statewide and on average approximately \$75 per student.		Bill was amended and unadopted amendment available	No

HB0478S01	Minimum Basic Tax Rate Reduction	Rep. Bradley G. Last	This bill amends the years in which a freeze is in effect on the minimum basic tax rate; repeals the weighted pupil unit (WPU) value rate; repeals a study and reporting requirement related to the WPU value rate.	Senate Rules				Enactment of this bill will reduce transfers to restricted accounts by \$24,596,700 in FY 2023 as appropriated in the base budget, including \$8,377,900 to the Local Levy Growth Account and \$16,218,800 to the Teacher and Student Success Account. Enactment of this bill reduces anticipated local property tax collections factored into the calculation of school district weighted pupil units through the Minimum School Program - Basic School Program by approximately \$24,596,700 in FY 2023. As a result of the estimated reduced local revenue, planned transfers to certain state restricted accounts will not occur in FY 2023, including \$8,377,900 to the Local Levy Growth Account and \$16,218,800 to the Teacher and Student Success Account which support the Voted and Board Local Levy Programs and the Teacher and Student Success Programs respectively. Enactment of this bill repeals the Equity Pupil Tax Rate and the WPU Value Tax Rate which are components of the statewide basic property tax levy. While revenues generated from these levies since their creation will remain part of the Basic Levy revenue base amount, the repeal reduces anticipated local school district property tax contributions to the Basic School Program in FY 2023 by approximately \$24,596,700 statewide. Individuals and business may forego an anticipated property tax increase in FY 2023 of \$24,596,700 statewide from the Equity Pupil and WPU Value tax rates.			No
HB0480	Educational Psychologist Amendments	Rep. Stewart E. Barlow	This bill creates a new license category under the Psychologist Licensing Act for an educational psychologist; allows a licensed educational psychologist to practice within the scope of the educational psychologist's training and experience; and specifies the requirements to receive a license as an educational psychologist.	House Rules				Enactment of this legislation could increase Commerce Service Account revenue by \$1,000 ongoing beginning in FY 2023. when combined with the Commerce costs identified below it could increase the ongoing year end transfer by \$700 beginning in FY 2023 and decrease the one-time year end transfer by \$5,400 in FY 2023. Enactment of this bill could cost the Division of Consumer Protection \$5,400 one-time in FY 2023 and \$300 ongoing beginning in FY 2023 from the Commerce Service Fund for updating licenses, renewals and registration. Spending from the Commerce Service Fund impacts the year-end transfer to the General Fund. Enactment of this legislation could result in an estimated five applicants paying an annual \$200 license fee for total costs of \$1,000 ongoing beginning in FY 2023.			No

SENATE BILLS											
SB0002	Public Education Budget Amendments	Sen. Lincoln Fillmore	This bill provides appropriations for the use and support of school districts, charter schools, and state education agencies; sets the value of the weighted pupil unit (WPU) at \$4,038 for fiscal year 2023; directs the State Board of Education on how to execute certain funding programs; provides teacher bonuses for certain teachers who accepted extra work assignments; permits the state board to use certain nonlapsing balances to provide grants for scholarships for certain school employees to become school-based mental health workers; changes the state contribution for transportation costs for school districts; changes the calculation of WPUs for foreign exchange students; amends the calculation of hold-harmless allocations to local education agencies for At-Risk WPUs; amends the growth formula for concurrent enrollment; provides appropriations for other purposes as described; transfers funding from the Uniform School Fund to various restricted funds and accounts; reorganizes operating programs among line items at the State Board of Education; provides appropriations for other purposes as described; makes technical and conforming changes; and approves intent language.	Enrolled				This bill transfers \$21,293,200 in FY 2022 and \$8,733,200 in FY 2023 from the General/Education funds into other funds and accounts. This bill appropriates \$496,787,400, including (\$22,100,800) from the Education and Uniform School Funds for FY 2022, plus \$712,092,400, including \$152,414,100 from the Education and Uniform School Funds for FY 2023 to the State Board of Education to support the operations of school districts, charter schools, and state education agencies and programs. It adjusts categorical programs in the Minimum School Program for an increase in the Weighted Pupil Unit value of 3.4 percent. This is in addition to the 2.6 percent increase provided in the base budget, for a total of 6.0 percent in FY 2023. The WPU Value increases to \$4,038 in FY 2023. The bill also transfers another \$21,293,200 in FY 2022 and \$8,733,200 in FY 2023 from the Education and Uniform School Funds into other funds and accounts. Enactment of this legislation increases the WPU Value Rate which is part of the statewide Basic Levy and based on a portion of the increase in the WPU Value provided in the bill and as outlined in statute. The statutory formula indicates that the WPU Value Rate generate an amount based on the prior-year state and local funding mix supporting the Basic School Program, which is an 82/18 percent split in FY 2022. As a result, each percent increase in the WPU Value results in a property tax impact of approximately \$6.2 million. The adjustment provided in this bill is applied to 1.4 percent of the WPU Value increase (a total of 4% when combined with the adjustment in House Bill 1, Public Education Base Budget Amendments) for an additional amount of \$8.7 million in this bill. SB0025S02	Property Tax Deferral Amendments	Sen. Lincoln Fillmore	This bill addresses property tax deferral for certain owners of a single-family residence; modifies the interest rate that applies to deferred property taxes; clarifies the required contents of an application for a deferral; creates the Property Tax Deferral Restricted Account (account) to reimburse a requesting county for the amount of any property taxes that the county defers during a specified time period; addresses repayment of any money a county receives from the account.	Enrolled				Enactment of this legislation would result in a one-time appropriation of \$8,000,000 from the General Fund, to be paid back over time. Thus, revenue could accrue to the General Fund as properties are sold and deferrals repaid, but those one-time amounts are unknown at this time. Enactment of this legislation would result in a one-time \$8 million appropriation from the General Fund in FY 2023 to the Tax Commission for loans to reimburse counties for property tax deferral. Actual FY 2023 expenditure amounts could be lower with higher reimbursements occurring in later years, but that flow is unknown. Enactment of this legislation could lead to local governments forgoing up to approximately \$15 million annually in property tax receipts due to deferring payments for qualifying residential property owners, but receiving original amounts due plus interest totaling about \$22 million at the end of each tranche of deferment. This assumes about 94,000 properties valued under \$500,000 are owned by individuals over 75 years of age, and about 8,400 of these owners defer payment for about 10 years with the deferred amount accruing interesting at about 3.8 percent annually. However, enactment of this legislation could also result in local governments receiving up to \$8 million in aggregate from a new restricted account to offset the deferred revenue. Enactment of this legislation could lead to qualifying homeowners deferring up to approximately \$15 million annually in property tax payments, but repaying original amounts due plus interest totaling about \$22 million at the end of each tranche of deferment. This assumes about 94,000 properties valued under \$500,000 are owned by individuals over 75 years of age, and about 8,400 of these owners defer payment for about 10 years with the deferred amount accruing interesting at about 3.8 percent annually. SB0059S04	State Income Tax Rate Reduction	Sen. Daniel McCay	This bill amends the corporate franchise and income tax rates; and amends the individual income tax rate.	Signed				Enactment of this legislation could decrease revenue to the Education Fund by approximately \$11.5 million one-time in FY2022 and \$18.0 million one-time in FY2023 due to the retrospective effective date of the bill, and \$192.9 million ongoing beginning in FY2023, for a total FY2023 impact of \$210.9 million. An estimated 1,160,820 Utah individual income tax filers may see tax savings of \$129 on average in tax year 2022. Enactment of an individual and corporate income tax rate cut to 4.85% will reduce tax liability for the majority of individuals and businesses beginning in tax year 2022. The increase in the income-based phaseout thresholds for the social security tax credit could result in an average annual tax savings of \$210 for an estimated 71,257 individuals in tax year 2022. The nonrefundable state earned income tax credit may result in tax savings of \$194 on average for an estimated 81,764 individuals in tax year 2022. SB0062S04	Special Needs Opportunity Scholarship Program Amendments	Sen. Lincoln Fillmore	This bill expands eligibility for the program to include siblings of scholarship students under certain circumstances; modifies the duties and rulemaking authority of the State Board of Education in relation to the program; provides that eligibility for a scholarship does not affect eligibility for an individualized education program; authorizes the scholarship granting organizations to prepare and distribute information about the program to parents who apply for a scholarship under the program; clarifies what constitutes a fiscal year for purposes of reporting and administering the program; modifies a scholarship granting organization's reporting deadline; allows a person that makes a donation to direct a donation to a particular school to which a scholarship will be offered; provides for a one-year carry back of the income tax credit for making a donation to the program.	Enrolled				Enactment of a one-year carry-back of the income tax credit for donations to the Special Needs Opportunity Scholarship Program may impact state tax revenues by shifting the fiscal impact of the tax credit forward. Enactment of this legislation could reduce Education Fund revenues by \$418,000 in FY 2023, \$385,000 in FY 2024, and \$147,000 in FY 2025. Qualifying taxpayers who do not have sufficient tax liability to utilize the full amount of the tax credit in the tax year the donation is made may realize tax savings sooner by being allowed to carry back the amount of the tax credit that exceeds the claimant's tax liability to the previous taxable year. Additionally, if a taxpayer is unable to utilize the full amount of the tax credit during the existing three-year carry-forward period, the inclusion of a one-year carry-back may result in additional tax savings for the taxpayer. SB0118S02	Students with Disabilities Funding Amendments	Sen. Lincoln Fillmore	This bill requires the State Board of Education to: <ul style="list-style-type: none"> annually review standards and guidelines related to establishing disability classifications; ensure the standards and guidelines provide school districts and charter schools flexibility to respond to the needs of students with disabilities; and distribute certain special education funds in accordance with state board rules; permits disability program money to be used for facilities construction and alteration under certain circumstances; amends a formula related to add-on weighted pupil units for students with disabilities.	Senate Rules				Enactment of this bill increases the number of Weighted Pupil Units (WPUs) for the Special Education Add-on program in the Minimum School Program by 1,607 WPUs over the 89,232 WPUs previously estimated for FY 2023. At the initial FY 2023 WPU Value of \$3,908 this increase in the number of WPUs may cost the State Board of Education \$4,037,000 ongoing and \$2,243,200 one-time from the Uniform School Fund beginning in FY 2023. Subsequent increases in the WPU Value for FY 2023 will increase this estimate. Bill provisions reduce the WPU weighting applied to student growth over the next three fiscal years. The one-time amount mentioned above represents the cost differential between the WPU weighting for FY 2023 at 1.35 and the final weight of 1.0 in FY 2025. Balances in the Minimum School Program - Basic School Program can absorb this differential in FY 2023. In FY 2024 and FY 2025, the differential between the prior year weighting and the new year weighting will be netted in the cost of student enrollment growth.			No
SB120S01	Juvenile Justice Amendments	Sen. Todd D. Weiler	This bill amends provisions regarding fines imposed for proof of age violations on minors; amends provisions related to court surcharges imposed by the juvenile court; addresses the payment or reimbursement by a minor or the minor's parent or guardian to an agency for the cost of obtaining a DNA specimen; modifies the duties of the Commission on Criminal and Juvenile Justice regarding the statewide sliding scale for the assessment of fines and fees for minors; amends penalties for violations of buying or possessing tobacco or electronic cigarette products by minors; amends provisions related to security surcharges in juvenile delinquency cases; repeals a provision regarding payment for retrieving a juvenile court record; amends provisions regarding the payment of a fine or fee for contempt in court by a child; amends provisions related to the payment of child support for a child in state custody; amends provisions related to the costs of treatment for an offender or victim; amends the definition of "compensatory service" in regards to juvenile justice; addresses outstanding balances of fines, fees, costs, and other financial obligations for minors; amends provisions relating to the financial penalties for nonjudicial adjustments; provides that a juvenile probation officer may not require a minor to pay a financial penalty, cost, surcharge, or fee for a nonjudicial adjustment; repeals provisions relating to the payment of a fee, fine, or other financial penalty by a minor facing a delinquency proceeding in the juvenile court; provides that a juvenile court may not issue a garnishment, wage withholding, or execution on a minor or the minor's parent or guardian for the collection of restitution; provides that a juvenile court may not order a minor to be detained in a secure or nonsecure residential placement in	House Rules				Enactment of this bill could reduce ongoing revenue to the following accounts beginning in FY 2024: 1. General Fund - \$72,400; 2. Nonjudicial Adjustment Account - \$616,000; 3. DNA Specimen Account - \$46,000; 4. Court Security Account - \$34,400; 5. Judges' Retirement Trust Fund - \$3,700; 6. Children's Legal Defense Account - \$1,300; 7. Dispute Resolution Account - \$1,000; 8. Dedicated Credits (Courts) - \$51,000; and 9. Dedicated Credits (Office of Recovery Services) - \$49,500. For FY 2023, the impact would be half of the FY 2024 ongoing amounts mentioned due to the January 1, 2023 implementation date. Enactment of this bill could cost the Courts about \$90,100 one-time from the General Fund in FY 2023 for programming changes. This bill could also reduce ongoing expenditures from various restricted funds and dedicated credits to the following agencies beginning in FY 2024: 1. Courts \$673,900 for reduced restitution, intervention, treatment, and DNA collection; and 2. Department of Public Safety - \$39,100 for DNA processing. Should the Legislature choose to keep relevant programs unaffected with the direct loss in revenue, this could cost \$713,000 ongoing from the General Fund in aggregate beginning in FY 2024. For FY 2023, the impact would be half of the FY 2024 ongoing amounts mentioned due to the January 1, 2023 implementation date. About 12,000 offenders could pay about \$73/each less in court fees/fines on average for a total of about \$875,300 ongoing beginning in FY 2024. For FY 2023, the impact would be half of the FY 2024 amounts mentioned due to the January 1, 2023 implementation date.		Unadopted second substitute available	No

SB0140S03	Housing and Transit Reinvestment Zone Amendments	Sen. Wayne A. Harper	This bill allows housing and transit reinvestment zones around light rail and bus rapid transit facilities; amends provisions related to the size limitations and number of allowed housing and transit reinvestment zones; requires equal participation by all local taxing entities; defines the term of each type of housing and transit reinvestment zone; amends the membership of the housing and transit reinvestment zone committee; requires relevant zoning changes be made before the housing and transit reinvestment zone may be approved by the committee; amends provisions related to the efficiency and feasibility analysis of a housing and transit reinvestment zone.	Enrolled				Enactment of this legislation could forgo revenue to the state sales tax in an indeterminant amount but equal to 20% of the incremental state sales tax generated within the boundaries of housing and transit reinvestment zones. This could impact both the General Fund and sales tax earmarks. Ten percent of the increment would be transferred to the Transit Transportation Investment Fund while the other 10 percent would be transferred to the municipality or public transit county proposing the zone. For each \$100,000 in incremental sales tax, \$15,000 would be transferred away from the General Fund and \$5,000 away from sales tax earmarks. Enactment of this legislation could also generate \$100,000 annually in dedicated credits for the Governor's Office of Economic Opportunity. Enactment of this legislation could cost the Governor's Office of Economic Opportunity \$100,000 annually from dedicated credits to assess the proposal sites and provide staff support. The dedicated credits would be collected from local governments. Further, for every dollar of basic levy property tax foregone at the local level due to additional transit oriented development zones, the state would expend an additional dollar from the Education Fund on public education, for which the aggregate impact is unknown. Enactment of this legislation could impact local tax revenues in an indeterminant amount. Enactment of this legislation could cost local governments up to \$100,000 annually to pay for gap analysis on proposals.		Bill was amended	Yes

SB0159	School Funding Provisions	Sen. Derrin R. Owens	This bill amends provisions governing funding allocations to school districts that consolidate small schools; creates the Rural School District Improvements Revolving Loan Account within the Uniform School Fund to provide rural district improvement loans to certain school districts; and directs the State Board of Education to make rules for the account.	Senate Rules				Enactment of this bill creates the Rural School District Improvements Revolving Loan Account. To fund this revolving loan account may require at least \$20,000,000 one-time from the Uniform School Fund in FY 2023. Enactment of this bill modifies the calculation of weighted pupil units (WPU) when a school district consolidates two Necessarily Existent Small Schools. For each school district that opts to consolidate schools, the number of WPUs generated by the combined school may increase by approximately 35 in the third year after consolidation. At the current WPU Value of \$3,908, the additional cost to the state would be \$136,800 ongoing. This amount may vary depending on the schools consolidated, the number of WPUs calculated, and the WPU Value at the time of implementation. Enactment of this bill also creates the Rural School District Improvements Revolving Loan Account. The creation of this account may cost the State Board of Education \$20,000,000 one-time from the Uniform School Fund in FY 2023 to fund the revolving loan account.			No

SB0179S05	Criminal Justice Amendments	Sen. Todd D. Weiler	This bill modifies provisions requiring a county jail to report certain information to the State Commission on Criminal and Juvenile Justice (CCJJ); prohibits CCJJ from providing a state grant to an agency or program who is not in compliance with certain statutory reporting requirements; requires certain residential, vocational, and life skills programs to provide data to CCJJ; requires CCJJ to evaluate, report, and publish certain data; requires a county to create a Criminal Justice Coordinating Council subject to certain requirements.	Enrolled				Enactment of this bill would appropriate \$1,000,000 ongoing beginning in FY 2023 to the Behavioral Health Crisis Response Account from the General Fund to build and operate more behavioral health receiving centers in the state. Enactment of this bill could cost the Commission on Criminal and Juvenile Justice \$335,000 ongoing beginning in FY 2023 from the General Fund for the following reasons: 1. \$85,000 for the Commission to assist with strategic plans for local Criminal Justice Coordinating Councils (CJCCs); and 2. \$250,000 as pass-through to counties to coordinate the creation of CJCCs. This bill could also cost the Division of Substance Abuse and Mental Health, Department of Corrections, Board of Pardons and Parole, and the Judiciary, an unknown amount to collect and report recidivism and treatment data. This bill could also cost the Department of Health and Human Services \$1,000,000 ongoing beginning in FY 2023 from the General Fund appropriated to the Behavioral Health Crisis Response Account to build and operate more behavioral health receiving centers in the state. Enactment of this bill could cost counties statewide \$250,000 ongoing granted from the Commission on Criminal and Juvenile Justice to coordinate the creation of Criminal Justice Coordinating Commissions (CJCCs). This bill could also cost an estimated 13 counties or county coalitions throughout the state an unknown amount for the administration of these CJCCs. To the extent that local entities were previously not complying with data reporting requirements, they could experience unknown costs to come into compliance. To the extent that local entities continue to be noncompliant to data reporting requirements, enactment of this bill could result in an elimination of grant revenue from the state.			Yes

SB0224	Charitable Contribution Deduction	Sen. Luz Escamilla	This bill under certain circumstances allows an individual to subtract from the individual's adjusted gross income the amount of the individual's charitable contributions during the taxable year, up to a specified amount.	Senate 3rd Reading Circled				Enactment of this legislation could reduce revenue to the Education Fund by approximately \$12.2 million one-time in FY2023 and \$15.0 million ongoing beginning in FY2024. This estimate assumes that 50 percent of standard deduction taxpayers will be eligible for the subtraction in tax year 2022 and that 60 percent of standard deduction taxpayers will be eligible for the subtraction in tax years after 2022. If all standard deduction taxpayers claim the maximum deduction, the fiscal impact could be an estimated \$24.4 million in FY2023 and \$25 million in FY2024. Certain individuals who claim the standard deduction would be allowed to subtract the amount of the individual's charitable contributions up to \$300 (\$600 if filing a joint return). This may result in average tax savings of \$26 for an estimated 478,366 taxpayers in tax year 2022. This estimate assumes that 50 percent of standard deduction taxpayers would be eligible for the deduction.			No
