

Career Cluster: Engineering & Technology

Career Pathway: Engineering

JUNIOR HIGH / MIDDLE SCHOOL			
College and Career Awareness			
Exploring Technology			
SUPPORTING COURSES: Suggested high school courses that support the Career Pathway (Courses DO NOT count towards the Pathway)			
Chemistry	Physics	Secondary Math 2	
EXPLORER COURSES: Choose one or more of the following courses.			
Architectural Design 1 *	Electronics 1 * +	Manufacturing Principles 1 +	Robotics Technology
Mechanical Design and Engineering 1 *	Engineering Principles 1 +	Metalworking 1	Unmanned Aerial Systems
CAM Automated Manufacturing	Engineering Technology	Plastics 1	Welding Technician, Entry *
Composites 1	Machining 1 *	Robotics 1 +	Woods 1
CONCENTRATOR COURSES: To be a concentrator you must pass one of the following courses AND one explorer course.			
Aerospace Engineering	Electronics 2 *	Materials Science	
Mechanical Design and Engineering 2 *	Engineering Principles 2 *	Robotics 2 *	
COMPLETER COURSES: To be a completer you must pass a concentrator course and enough courses to equal 3.0 credits in this Pathway.			
Mechanical Design and Engineering 3 *	Electronics 3 *	Engineering Capstone	
Industrial Maintenance Technician	Unmanned Aerial Systems Lab: Design, Build, Maintain		
CTE Internship	Apprenticeship		
POSTSECONDARY: There are many options for education and training beyond high school.			
Utah System of Higher Education: ushe.edu (Utah's public colleges and universities)		UtahMajors.org: Majors Guide	

* concurrent enrollment course + recommended explorer course

HIGH SCHOOL TO POSTSECONDARY EDUCATION AND TRAINING

There are several options for education and training beyond high school, depending on your career goals.

	Certificate	2-Year Associate Degree	4-Year Bachelor's Degree
	<ul style="list-style-type: none"> > Machine Operator > Production Technician 	<ul style="list-style-type: none"> > Electro-Mechanical Technicians > Electronics Equipment Assembler 	<ul style="list-style-type: none"> > Automation Engineer > CTE Teacher > Electrical Engineer > Electronics Drafter

Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value. [Credentials of Value](#)

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.

Advice to Students

"Taking a CTE course is not for the faint of heart. It is difficult and time consuming. However, through the courses you will fall in love with the subject you are studying. My advice is to never give up no matter how hard it gets. Ten years down the road you will not regret the choice of enrolling in a CTE class."

Ashley Zolnik
 Future Manufacturing Engineer
