“I participated in a CTE internship with the Unified Fire Authority. This internship was one of the most valuable learning experiences I have had. It provided me with the opportunity to use the information and techniques acquired in class and apply during a medical emergency. I had the opportunity to go on several ride-a-longs, service calls, and spend time at the fire house. Getting to work alongside some of the finest firefighters in the valley has only strengthened my desire to become one.”
