- **Market segmentation** - dividing the total market into smaller groups and analyzing each group by specific characteristics.
- **Target Marketing** - the specialized niche of the market to whom the company wishes to make the greatest appeal.
- **Target-Market Research** - ongoing process used to gather and analyze information that relates to specific groups of customers or target market.

STRAND 3

Students will explore entrepreneurial options in the fashion industry.

*Performance Skills for this strand included below

Standard 1

Students will explore the sequence of steps in establishing a business plan.

1. Introduction:
 - Description of the business and its goals.

ADVANCED FASHION MERCHANDISING

- Ownership of the business and its legal structure.
 - List the skills and experience you bring to the business.
 - Advantages you and your business have over competitors.
2. Marketing
- Products and services your company will offer.
 - Customer demand for your products and services.
 - Identify your market, its size and locations.
 - Explain how your products and services will be advertised and marketed.
 - Pricing strategy.
3. Finance & Management
- Expected return on investment and monthly cash flow for the first year.
 - Projected income statements.
 - Discuss your break-even point.
4. Operations
- Day-to-day operations.
 - Hiring and personnel procedures.
 - Insurance, lease or rent agreements.
 - Equipment necessary to produce your goods or services.
 - Production and delivery of products and services.
5. Concluding Statement
- Summarize your business goals and objectives and express your commitment to the success of your business. Once you have completed your business plan, review it with a friend or business associate and professional business counselor.
 - Remember, the business plan is a flexible document that should change as your business grows.

Standard 2

Analyze how to price a product for sell.

- Material Costs - the amount of money you spend on raw materials needed to create a product.
- Labor Costs - the number of hours required to make your product and the hourly rate associated with those hours.
- Overhead Costs - any further expenses required for the operation of your business. (equipment, utilities, rent, insurance, taxes)

Standard 3

Students will be able to explain the basics of the 4P's of marketing.

- Product - Any goods, services, or ideas that we wish to sell.
- Place – Distributing the right product to the right place at the right time in the right amount and in the right condition.
- Price - Determining a dollar amount at which we can sell the product.

ADVANCED FASHION MERCHANDISING

- Promotion - Making potential customers aware of a product in a positive way so they will want to buy it.

Standard 4

Understand the basics for using credit for business financing.

- Interest rate - The proportion of a loan that is charged as interest to the borrower, typically express as an annual percentage of the loan outstanding.
- Personal guarantee - Individual agrees to be responsible for the financial obligations of a debtor or borrower to a lender, if the debtor or borrower fails to pay an amount owing under the loan agreement.
- Loan term - Monetary loan that is repaid in regular payments over a set period of time. Term loans usually last between one and ten years but may last as long as 30 years in some cases. A term loan usually involves an unfixed interest rate that will add additional balance to be repaid.
- Ability to repay - An economic principle stating that the amount of tax an individual's pay should be dependent on the level of burden the tax will create relative to the wealth of the individual.

STRAND 4

Students will apply knowledge of merchandising to market a fashion product.

*Performance Skills for this strand included below

Standard 1

Some examples could include:

- Fashion show
- Social media selling
- Etsy shop
- Direct sales

Workplace Skills

Students will develop professional and interpersonal skills needed for success in the fashion industry. Incorporated throughout the course.

*Performance Skills for this strand included below

Standard 1

Determine the difference between hard skills and soft skills.

- Hard Skills - Hard skills are specific, teachable abilities that can be defined and measured.
- Soft Skills - Personal attributes that enable someone to interact effectively and harmoniously with other people.

Standard 2

Contribute to the success of a group.

- Resourcefulness & creativity
 - Flexibility/adaptability
 - Contributing new ideas
- Critical thinking & problem solving
- Time task and resource skills
 - Time management abilities
 - Working well under pressure
- Work Ethic
 - Integrity
 - Loyalty
 - Learning from criticism
 - Initiative
 - Responsibility
 - Positive attitude

Performance Skills

Strand 2

Decide on a potential target market for a fictitious store and create a survey consisting of 10 questions to find potential interest in that store.

Strand 2

Create an actual display using fashion items **OR** create a miniature window display in a box.

ADVANCED FASHION MERCHANDISING

Strand 3

Choose items (clothing, accessories etc.) for the store created from either a local mall or retail internet sites or catalogs.

Strand 3

Prepare a feature-benefit chart for a fashion item including, brand name, size, suggested retail price, style number, fabric content, style details, and guarantees and warranties. Demonstrate an effective sales presentation in a role-play situation using an effective approach and greeting, questioning, handling objections, suggestion selling, closing and follow-up techniques.

Strand 3

Calculate the price of merchandise using the retail and cost methods, common markup and markdown methods, and merchandise discounts.

Strand 4

Create a fictitious store to include a description of the target customer for the store, along with a description of products carried, and competitors. Also include depictions of the store exterior and furnishings used to create the right ambiance for the store.

Research a fashion career and then complete an application, resume and interview for that career.
