

# Sample Elevate School Program Application

The Utah State Board of Education (USBE) is excited to announce a unique opportunity for Non-Title I Schools that are identified as Targeted Support and Improvement (TSI) schools to apply to participate in the Elevate School Cohort 2023 Program beginning in the Fall of the 2023-2024 school year. Selected schools will become a part of the Elevate School Cohort 2023 Program, which enables them to receive funding and additional USBE support including, but not limited to:

1. Comprehensive Needs Assessment and Root Cause Analysis
2. Additional funding available to address specific identified needs
3. Choice of an approved USBE Continuous Improvement Expert (CIE)
4. Ongoing implementation and project management support
5. Dedicated support from the Center for Continuous School Improvement (CCSI)

Six (6) schools will be selected to participate in the Elevate School Cohort 2023 Program and a submitted application does not guarantee selection.

The following weighted considerations will assist the USBE/CCSI in selecting schools for participation in the Elevate School Cohort 2023 Program.

- School must be Non-Title I
- The number of TSI student groups
- Overall school performance and growth
- Size of the School
- LEA/Charter Organization commitment to support their Elevate School.
