- This application is for a Driver Education Endorsement
- This application is for a State Approved Endorsement Plan (SAEP)
 - An approved SAEP for the Driver Education Endorsement allows a secondary teacher to teach the classroom and the behind the wheel (range and road) portion of driver education while completing the endorsement. Until all requirements are met, the instructors are not allowed to test.
 - The applicant has two school years to complete all remaining requirements for endorsement (the school year of application plus the following)
 - The applicant must have a minimum of NINE endorsement credits prior to applying

Instructions for Completing the Application

1. Print and complete the Driver Education Endorsement Application.
2. Submit original documentation.
 - Transcripts: If you received University credit, you must submit original copies of your transcripts with courses highlighted. The transcripts MUST be originals and printed on the college/university transcript paper. The transcripts do not need to be in a sealed envelope allowing you to highlight course work. If you received USBE credit, you must print off your transcripts with courses highlighted.
 - Other Documentation: Copy of your current CPR/First Aid certification. Copy of the Examiner's Training Completion Form. Copy of the Practicum hours logged with signatures.
3. Send the (1) completed application, (2) transcripts, and (3) other documentation to:
