Announcements

UCA Webinar training on UCA Training on UCA Friday in October
http://www.adobe.com/flashplayer/updates/20130911/flashplayer.html

LEA Data Set now loaded
As announced in the 2015 Needs Assessment folder to assist LEAs in the preparation of the FY15 Needs Assessment Process. Other changes for the Needs Assessment Process include a new format in the Needs Assessment, and the use of the 'most current data available', which for this year, means SY 13 data and prior, so LEAs don't have to wait until Fall to use new data for planning purposes. The data set now loaded for LEAs is data you already have at the local level, so this is not a complete report, but an overview. Please contact me with any questions. Sarah Moore

History Log Tool (8/27/2013)
UCA users: Please remember to check the history log tool found on the sections page of the grant APPLICATION and REIMBURSEMENT if either have been returned to you without direct explanation. As discussed in training, comments by both LEA staff and the USOE staff are exchanged here, and historically documented to maintain transparency.

ACCESS instructions (12/8/2010)
Access information in the UCA without a log-in, use the Help link on the left menu. For support, please contact the UCA helpdesk at 801-538-7604.

21st Century Grant information (8/30/2010)
The 21st Century Community Learning Center application listed at the bottom of the Funding Applications page is not required by all LEAs and Charter Schools. This is a competitive funding application for before and after school programs that opens in the Spring of each year to eligible entities. For a description of the 21st CCLC competitive grant program, please refer to the 21st CCLC Grant Summary located in the document library or contact Lisa Wisham for more information. lisa.wisham@schools.utah.gov (801-538-7825).
