GOALS

SkillsUSA Utah Goals for 2019-2020:

1. Meet the requirements for the National SkillsUSA State Standards of Excellence Program.
2. Enhance student participation in professional leadership development and service activities.
3. Grow membership at the school, state, and national levels.
4. Increase state officer involvement at the district and school levels.

SERVICE

SkillsUSA members don't just have a great passion for what they can achieve, but also for what they can contribute. SkillsUSA's Program of Work actively involves members in community service. SkillsUSA cultivates engaged citizens who not only love what they do, but who also respect the power they have to make a difference in the lives of others.

TEACHING

SkillsUSA has effective and far-reaching classroom instruction in employability and leadership skills. SkillsUSA is an applied method of instruction for preparing America's high performance workers in public career and technical programs, providing quality education experiences for students through leadership, teamwork, citizenship, and career skill development.
