183 students participated in WBL activities, including internships, apprenticeships, and workplace readiness training.

WBL provides opportunities for students to learn a variety of skills through rigorous academic preparation with hands-on career development experiences.

Career and Technical Student Organizations

176 students are members of a Career and Technical Student Organization (CTSO).

College and Career Awareness is a middle school course designed to increase awareness of college and career pathways. Students explore high school, college, and career options based on individual interests, abilities, and skills. Students investigate high-skill and/or in-demand jobs in the Utah labor market, while developing workplace skills.

451 students participated in College and Career Awareness.

512 CTE Concurrent Enrollment (CE) credits earned.

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.
