

DLM Enrollment 2020 – 2021

Students are eligible to take a DLM assessment so long as the student has a 1% flag checked in his or her SCRAM file. *

Students with a 1% flag are not eligible for RISE, Utah Aspire Plus, or Utah Core Benchmarks regardless of Core Code.

*Please note, as of the 2020-2021 School Year 1% Science assessments will be taken through the DLM educator portal instead of UAA.
