Utah Career and Technical Education Career Pathway

2019-2020 School Year

CTSO Information

Career and Technical Student Organizations (CTSO) align with the national Career Clusters® and the Utah CTE Career Pathways.

HOSA is the CTSO for students in the Emergency Medical Services Career Pathway. HOSA enhances the delivery of compassionate, quality health care by providing opportunities for knowledge, skill and leadership development of all health science education students.

Workforce Trends

A growing and urbanized population will demand more emergency services, increasing the demand for professional emergency medical technicians (EMT) and paramedics.

Career Cluster: Health Science

Career Pathway: Emergency Medical Services

CORE CODE	FOUNDATION COURSES (required)	CREDITS	
36.01.00.00.030	Emergency Medical Technician	2.00	2.00 credits

^{3.00} credits for completion

Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value.

Emergency Medical Services is:

- > High-skill
- > High-demand

Sample Occupations Requiring:

High School Diploma > N/A

Certificate

- > Emergency Medical Technician
- > Paramedic

Assoc. or Technical Degree

> N/A

Baccalaureate Degree

> Career and Technical **Education Teacher**

Graduate or Prof. Degree

> N/A

Student Testimonial

"By taking the CNA and EMT courses in high school I'm better prepared to enter the workforce. These courses allowed me to gain hands-on learning and onthe-job training through CTE Internships and receive instruction from actual teachers who work in the field."

Taylar Brown

HIGH SCHOOL TO POSTSECONDARY EDUCATION AND TRAINING

There are a number of options for education and training beyond high school, depending on your career goals.

12th Grade	1-Year Certificate	2-Year Associate or Technical Degree	4-Year Bachelor's Degree	More Graduate or Prof. Degree	
Certificates are awarded upon the successful completion of a brief course of study, usually one year or less. Upon completion of a course of study, a certificate does not require any further action to retain. In high school a variety of certificates can be earned.		An academic degree is an award for the completion of a program or course of study over multiple years at postsecondary education institutions. In 2016-2017, 74 percent of secondary students who concentrated in a CTE Career Pathway placed in postsecondary education, advanced training, military service or employment (October 1-December 31).			

Utah Business and **Industry Facts**

According to the Utah Department of Workforce Services, 2,390 individuals are employed as emergency medical technicians throughout Utah.
