The Utah State Board of Education (USBE) Educator Licensing Department is working partially remotely. We apologize for any inconvenience. [Click to book an appointment.](#) [Click to view our Contact Us page.](#) We will respond to your emails in the order received. Please note that many services offered by the USBE, LEAs (Local Education Agencies = Districts/Charters), and other agencies are either temporarily suspended or are offering very limited services. Please call ahead to fingerprinting offices and/or testing centers to ensure that the service will be available when you arrive. Thank you for your patience and understanding as we continue working safely during COVID-19 times to support our educators and students.

The following is a list of sites that have agreed to provide LiveScan fingerprinting services to Utah educators. For information regarding sites available to classified employees or volunteers at a local education agency (LEA), please contact the sites directly. Individual sites may or may not provide LiveScan services from other entities (i.e. Dept. of Health). If you are a Utah educator and charged a usage fee higher than that listed on this document, please contact our Background Fingerprints Program Specialist via our main USBE Educator Licensing line at: (801) 538-7740, or [licensing@schools.utah.gov](mailto:licensing@schools.utah.gov) ATTN: Background.
