

## Kim and the Noise

Kim looked out the window. There was	7
snow all around, and it was cold outside. This was	17
the kind of night to stay inside.	24
Kim's mom and dad had gone out for a while.	34
Grandma was sleeping. The house was quiet.	41
All at once Kim heard a noise.	48
"Woof! Woof!"	50
At first she thought it was the TV. Then she	60
heard the noise again.	64
"Woof! Woof! Woof!"	67
Kim went to look out the window. There in	76
the cold snow sat a black and white dog.	85
