

### Scoring Guidance for PEEP Question #5 – Handwriting

- Drawing must demonstrate the properties of the shape or line
  - Closed circle
  - Two intersecting lines
- Score is **not** based on fine motor skills
- Correct examples may include (though not an exhaustive list):

- Incorrect examples may include (though not an exhaustive list):

- Use your best judgement when scoring this item. The purpose is to see if students can reproduce the properties of the shape, not to score the fine motor skills.
