PUBLIC EDUCATION  ONLINE
STATEWIDE ONLINE EDUCATION PROGRAM
Enabling Students to earn high school graduation credit through the completion of publicly funded online courses.

SOEP

STATEWIDE ONLINE EDUCATION PROGRAM

WWW.SCHOOLS.UTAH.GOV/EDONLINE

What is It?

The Statewide Online Education allows students that are not regularly enrolled in an online school to take classes from accredited online providers.

Students do not qualify for services from the online provider for things such as sports, clubs, and graduation.

Who is Eligible?

Any Utah student, grades 6-12, are eligible.

Students in grades 6-8 who may want to graduate early can take high school courses through SOEP.

NEW

Coming
January 2022!
7th and 8th Grade
Classes

Why SOEP?

SOEP offers students a wide variety of classes.

SOEP allows students to take classes that do not fit into their regular school schedule.

SOEP allows students online access of up to six (6) credits per school year. Students may take more credits if this better suites their academic plans.

Students will need to work with their counselor. Students may take more credits than are typically allowed in a year with an Early Graduation Plan.

If students happen to miss part of a class due to illness or other problems, then they can take the quarter of the class that they need to make up.

STATEWIDE ONLINE EDUCATION PROGRAM
"Enabling Students to earn high school graduation credit through the completion of publicly funded online courses."

How to Register

Go to:
<https://seats.schools.utah.gov>

Register for an account.

Register for a class.

Go to the provider's website and complete the co-registration.

Students are sent an email confirming completion of enrollment.

Students are given access to the class at the beginning of the term. Students complete the work online.

Parents/guardians and school counselors are sent an official transcript 30 days after the class has been closed.

***Please register 1 or 2 months
before the term begins.***
