## Work-Based Learning Funds

This information is intended for use by eligible school districts and charter schools within the state of Utah. Applications are required and due June 5, 2020.

Funding from the Work-Based Learning ongoing allocation will be provided to the local education agency (local school boards/public school districts and charter schools) for Work-Based Learning on a non-competitive basis through this application process. Local recipients of funds receive support from this ongoing funding source based upon performance and adherence to the agreed upon standards cited in [Utah State Board of Education Rule R277-915](#) and the conditions explained in this application. Local recipients are required to provide a 100% match of funds received under this application.
