

Courses That Can Be Taught with Each Science Endorsement

Each table lists all the courses that can be taught by teachers that have a secondary science endorsement posted to their license in the Utah CACTUS System. Note: It is possible that a course has been given a different title within each LEA (district or school). However, every LEA course will be connected one of the CACTUS course codes in the table. Please check with LEA leadership to inquire about a course title that is not included on this list.

Biological Science Endorsement

CACTUS Course Code	CACTUS Course Title	Graduation Requirements
0802000001	A.P. Biology	H.S. Foundation Science
0802000010	Biology	H.S. Foundation Science
0802000012	Biology Elective	Science Elective
0802000015	IB Biology SL	H.S. Foundation Science
0802000016	IB Biology HL	H.S. Foundation Science
0802000020	Biology/Agriculture Science & Technology	H.S. Foundation Science
0802000030	Botany	Science Elective
0802000040	Genetics	Science Elective
0802000050	Human Biology	H.S. Foundation Science
0802000060	Human Physiology	Science Elective
0802000065	Anatomy and Physiology	Science Elective
0802000070	Wildlife Biology	Science Elective
0802000080	Zoology	Science Elective
08020013010	Biology with Lab Concurrent Enrollment	H.S. Foundation Science
08020013012	Biology Elective Concurrent Enrollment	Science Elective
