
This conference will include professional development in all the Utah CTE Career Pathways with a focus on Collage and Career Awareness.

Conference Overview

The conference will focus on the current strands and standards for the middle school required course, College and Career Awareness. Attendees will participate in a self-paced Canvas course with a variety of modules focusing on the career clusters and pathways, teacher/counselor collaboration, accountability documents, and work-based learning opportunities. Each module will include a pre-recorded presentation, resources, discussion board, and knowledge opportunity.

Conference Schedule

June 14, 2021 at 12:00 AM – Canvas Course Opens

The canvas course will offer over 20+ modules focusing on the career clusters and pathways, teacher/counselor collaboration, accountability documents, and work-based learning Each module will include a pre-recorded presentation, resources, discussion board, and knowledge opportunity. These sessions will provide teachers with the opportunities to learn new teaching techniques and activities associated with the strands and standards for the College and Career Awareness course. Attendees will also have the opportunity to collaborate with teachers and counselors across the state that teach College and Career Awareness.

June 18, 2021 at 11:59 PM – Canvas Course Closes

Canvas Course Enrollment

Self-enroll in the course with them this URL: <https://usbe.instructure.com/enroll/43TLTW>

Alternatively, you can sign up at <https://usbe.instructure.com/register> and use the following join code: 43TLTW

- **HINT** use your USBE canvas login and password **NOT** your district login information.

Credit Options

One form of credit will be offered:

1. Up to 8 re-licensure points (1 point per hour)

Per USBE Rule ([R277-519-4-1b](#)) those seeking USBE credit must complete a 4-hour assigned learning task or reflection. USBE credit **will not be awarded** for the 2021 College and Career Awareness Summer Conference. This does not effect those who are currently working on completing an endorsement that requires attendance of the College and Career Awareness Summer Conference.
