School Year 2020-2021

School Fees Notice for Families of Students in Grades K-6

The Utah Constitution prohibits the charging of fees in elementary schools.

If a child is in kindergarten through grade six, they cannot be charged for textbooks, classroom equipment or supplies, musical instruments, field trips, assemblies, snacks (other than food provided through the School Lunch Program), or for anything else that takes place or is used during the regular school day.

Fees may only be charged for programs offered before or after school, or during school vacations. Fees may also be charged for a student that is in grade six and attends a school that includes one or more 7-12 grades, if the school follows a secondary model of delivering education to the school's grade six students.

Utah law requires schools that charge fees, to ensure that a fee waiver or other provisions in lieu of a fee waiver is available to any student whose parents are unable to pay a fee.

Fee Waivers

A fee waiver is a full release from the requirement to pay a fee. If a student is eligible for fee waivers, **all fees must be waived**. If it is not specifically addressed in state law, a school must waive all fees, including any where a student's participation is optional. This means that those students who are eligible for a fee waiver can participate in any school class or activity free of charge.

A student is eligible for a waiver if:

- their family receives TANF funding (food stamps or state Family Employment Program);
- the student receives SSI (Supplemental Security Income);
- the student is in foster care;
- the student is in state custody; or
- the student is eligible based on family/household income (the levels match those of free lunch eligibility).

** A student may also be eligible for fee waivers if they do not meet any of these standards but are still unable to pay a fee. Please see the local school or district policy for more information.*

If a student wishes to apply for fee waivers, they will be asked to provide documentation of fee waiver eligibility as part of the application process.

To apply for a fee waiver, a student may submit the "Fee Waiver Application (Grades K-6)". A copy of the application is included with this notice and additional copies may be obtained from the school office, or the state school fees website listed at the end of this document. Once the documents have been submitted to the school, the fee requirement will be suspended until a final decision has been reached about the student's eligibility for fee waivers.

If the application is denied, the school will send a "Decision and Appeal Form". The Form will explain why the application was denied and how to appeal the decision. Remember to always keep a copy. If an appeal for a denial of fee waivers is submitted, all fees will not need to be paid until the appeal is decided.

If a student wishes to purchase school pictures, yearbooks, or similar items through the school, those costs are not fees and will not be waived. Also, if a student loses or damages school property, the costs of replacement or repair are not fees and need not be waived.

Donations, Confidentiality, and Enforcement of Fees

School funds are limited, and a school may need help in addition to fees. As a result, the school may ask for tax-deductible donations of school supplies, equipment, or money, but the school cannot require donations.

A student's name is confidential and cannot be disclosed to anyone lacking both a right and a need to know the information, regardless of whether a student has paid fees, donations, and contributions or not, or has applied for, received, or been denied waivers. The school may, however, with the consent of the donor, give appropriate recognition to any person or organization making a major donation or contribution to the school.

The school and school staff cannot withhold, reduce, or enhance grades or credit, or withhold grades, class schedules, credit, report cards, transcripts, or diplomas to enforce the payment of fees.

School Fees Notice for Families of Students in Grades 7-12

Utah law permits schools to charge fees in grades seven through twelve.

A student may be charged fees for participation in school classes, activities and programs. A student cannot be requested or required to pay any fee unless that request or requirement has been approved by the local Board of Education and included in the school or district fee schedule.

Utah law requires schools that charge fees to ensure that a fee waiver or other provisions in lieu of a fee waiver is available to any student whose families are unable to pay a fee.

Fee Definition

A fee is defined as something of monetary value that is requested or required by a school for a student to be able to participate in an activity, class, or program that is provided, sponsored, or supported by a school, charter school, or district. This request or requirement can also be implied. Meaning that if something is not required for participation, but there is still an expectation for the student to have that item, it becomes a school fee. Below are some examples of fees:

- Registration fees
- Textbooks fees
- Participation fees
- Costs of class or team trips (including room, board, and meals)
- Entrance fees for school concerts or games
- Football summer clinic costs
- After-school program fees
- Truancy fines
- Instrument rentals

Charges for class rings, yearbooks, school pictures, letter jackets, and similar items are not fees and need not be waived. Also, if a student loses or damages school property, the costs of replacement or repair are not fees and need not be waived.

Students may be required to pay fees for concurrent enrollment courses or advanced placement exams. The portion of the fees related specifically to college or post-secondary grades or credit is not subject to fee waiver. However, the College Board offers a reduction in these costs for those who are eligible.

Fee Waivers

A student is eligible for a waiver if:

- their family receives TANF funding (food stamps or state Family Employment Program);
- the student receives SSI (Supplemental Security Income);
- the student is in foster care;
- the student is in state custody; or
- the student is eligible based on family/ household income (the levels match those of free lunch eligibility).

A fee waiver is a full release from the requirement to pay a fee. If a student is eligible for fee waivers, **all fees must be waived**. If it is not specifically addressed in state law, a school must waive all fees, including any where a student's participation is optional. This means that those students who are eligible for a fee waiver can participate in any school class or activity free of charge.

** A student may also be eligible for fee waivers if they do not meet any of these standards but are still unable to pay a fee. Please see the local school or district policy for more information.*

Once the documents have been submitted to the school, the fee requirement will be suspended until a final decision has been reached about the student's eligibility for fee waivers.

If the application is denied, the school will send a "Decision and Appeal Form". The Form will explain why the application was denied and how to appeal the decision.

Remember to always keep a copy. If an appeal for a denial of fee waivers is submitted, all fees will not need to be paid until the appeal is decided.

Service Agreement, Verification and Appeal Form

Utah law states that an LEA may provide alternatives in lieu of fee waivers sufficient "to ensure that no student is denied the opportunity to participate in a class or school-sponsored or supported activity because of an inability to pay a fee." If offered, a student may choose to perform service in lieu of a fee waiver but **a school district cannot require a student to perform service in lieu of a fee waiver**. If your student chooses to perform service, there are options from which to choose to complete the service. Service options may include:

- Service at the school, such as tutorial assistance to other students, or service outside of regular school hours as a student aide to school staff;
- Service in the community such as at a nursing home or hospital; or
- When special needs require, service in the home.

_____ agrees to complete _____ hours of service _____

The school district must ensure that a service assignment is appropriate to the age of the student, physical condition of the student, and maturity of the student. The assignment must also be consistent with state and federal laws, including the Federal Fair Labor Standards Act. This requires that the service must be performed 1) within a reasonable period of time, 2) each hour of service is credited at an amount at least equal to the current minimum wage, and 3) service hours worked per day and week are limited according to the student's age.

For example, if a fee-waiver eligible student is assessed \$100 for school fees and the school policy is based upon a \$10 per hour service credit, then the student may be asked to perform up to 10 hours of service.

Service assignments must be conducted in such a way that students are not subjected to embarrassment, ridicule, or humiliation, and must not provide direct private benefit to school employees or their families. In addition, service assignments must avoid excessive burdens on students and families and give proper consideration to a student's educational and transportation needs and other responsibilities.

If circumstances arise which make it too difficult for a student to complete a service assignment, notify the school principal immediately to determine what adjustments should be made.

Service students will not be considered to be employees of those for whom they provide the service, and no money will be paid to the students or to the school in return for service. Regular employees who work in places where students perform services may not be replaced, nor may their hours be reduced, as a result of the students' service activities. Service is intended to supplement existing services, not replace that which is already being done by others.
