- **What criteria does your institution have regarding students who want to defer the scholarship?**

Deferment forms must be received prior to the beginning of the semester in which the student wishes to begin their leave of absence. If a deferment form is not received, or turned in late, the student's scholarship(s) may not be placed on hold.

It is the student's responsibility to notify the Snow College scholarship office upon his/her return or enrollment. Without a consent to release information form being completed, Snow College officials cannot discuss admission or scholarship information with any person other than the student. These forms must be completed & signed by the student. Scholarships can be placed on hold for up to 5 semesters.

Students must submit the appropriate documentation in addition to the leave of absence/deferment form. Documentation must be emailed to email address for this person or mailed to Snow College, 150 East College Ave, Ephraim UT 84627, attn: scholarship office.
