

Jack's Lost Kite

Jack could not find his kite. It was not in his	11
bedroom. It was not in the kitchen.	18
“Mom,” asked Jack, “have you seen my	25
kite?”	26
“No, Jack,” said his mom. “Did you look	34
outside?”	35
Jack looked under the porch. No kite.	42
He looked next to the swings. No kite. He	51
looked behind the house. No kite. “Where could	59
it be?” he thought.	63
Jack looked up. There it was! His kite was	72
stuck in the tree.	76
