

**The Migrant  
Literacy NET  
(MLN) can help  
your children  
learn to read and  
learn math**

## **Welcome New Parents**

---

The MLN can identify the skills your children need to learn to read and learn math

---

The MLN provides online reading tutorials to teach your children reading and math skills needed in English and/or Spanish

---

Ask your migrant education recruiter about the MLN
