

UTAH STATE BOARD OF EDUCATION
Verification of Expired Professional Certification
For Out of State Certification and Licensure

(Must be completed by State/Country Department of Education)

The Utah State Board of Education (USBE) requires confirmation of eligibility for **expired** professional certification or licensure in education for applicants requesting a certificate or licensure for a professional position in education in the state of Utah. USBE requires that the administrator of professional certification provide confirmation that the applicant would be eligible for certification or licensure in their jurisdiction. **Please complete the information below and return it to the applicant.** The applicant will then submit this form to USBE.

License Holder: _____

Cactus ID: _____

Date of Birth: _____

Address: _____

Credential Type and Areas: _____

Period of Validity: _____

Date of Initial License: _____

I hereby certify that no license issued to the educator has been annulled, suspended, or revoked that has not been reinstated. The educator is in good standing with the Department of Education in the state of _____, and is not barred or subject to any restrictions to renew his/her license to teach in my jurisdiction.

I certify that the information provided above is valid and correct according to the records of my state or jurisdiction.
