Physical Education Guideline

INTRODUCTION
The following report contains information that pertains to Physical Education classes and the granting of proficiency based waivers for specific classes. A committee of current Physical Education Teachers, Health Department Employees, and District Administrators met to discuss different options for students to complete required coursework. The committee suggests that the P.E. standards approved by the Utah State Board of Education, March 2016 should be the guideline used in determining credit for each class.

**UHSAA Athletic Participation Guideline**

If a student participates in a complete season of a UHSAA sanctioned sport and the LEA determines the sport aligns with the course standards, the LEA may award the student 0.5 units of PE credit. If the student completes an additional season with a different sport and the LEA determines the sport aligns with course standards, the LEA may award the student another 0.5 units of PE credit. UHSAA athletic participation may be awarded for Participation Skills and Techniques and/or Individual Lifetime Activities. Athletic participation credit does not apply to Fitness for Life credit.
