### Child and Adult Care Food Program

SALT LAKE CITY – The Utah State Board of Education - Child Nutrition Programs, announces that the following institutions are sponsors of the Child and Adult Care Food Program. The same meals will be made available to all children or adults enrolled at these institutions, at no separate charge regardless of race, color, national origin, sex, age or disability. Furthermore, there will be no discrimination in the course of the meal service.

Children who are members of the Family Employment Program (FEP), Supplemental Nutrition Assistance Program (SNAP), Food Distribution Programs on Indian Reservations (FDPIR) households, or who are economically qualified Head Start participants, are automatically eligible to receive free meal benefits.

Adults who are members of SNAP, FDPIR, or who are SSI or Medicaid participants, are automatically eligible to receive free meal benefits.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information

requested in the form. To request a copy of the complaint form, call (866) 632-9992.
