We value competence, innovation, integrity, and teamwork

Mission: To prepare emerging leaders and entrepreneurs for careers in marketing, finance, hospitality, and management in high schools and colleges around the globe.

- With a nearly 70 year history, DECA has impacted the lives of more than ten million students, educators, school administrators, and business professionals since it was founded in 1946.
- DECA is organized into two unique student divisions—the High School Division and the Collegiate Division. Each program division is designed to address the learning styles, interests, and focus of its members.
- DECA enhances preparation for college and careers by providing co-curricular programs that integrate into classroom instruction, applying learning in the context of business, connecting to business and the community and promoting competition.
- Ninety percent of DECA members plan to further their studies in marketing, finance, hospitality, and business management, or to become entrepreneurs.
