This amount includes \$248.1 million to the Public Education Economic Stabilization Restricted Account, \$131.9 million to the Teacher and Student Success Account, \$108.5 million to the Local Levy Growth Account, and additional amounts to other accounts listed in the bill. It adjusts categorical programs in the Minimum School Program for anticipated student enrollment growth and increases the value of the Weighted Pupil Unit (WPU) by 2.6 percent for inflation to an initial value of \$3,908. The bill transfers another \$565,264,900 in FY 2023 from the General, Education, and Uniform School Funds into various funds and accounts detailed in the bill. Enactment of this Legislation increases the WPU Value Rate portion of the Basic Tax Rate as outlined in statute for the WPU Value increase provided in the bill. The statutory formula indicates that the WPU Value Rate generate an amount based on the prior-year state and local funding mix supporting the Basic School Program, which is an 82/18 split in FY 2022. As a result, each percent increase in the WPU Value results in a property tax impact of \$6.2 million, or a total of \$16.2 million statewide for the 2.6 percent increase in the WPU Value included in the bill.
