Waiver Request

The local educational agency (LEA) listed above requests a waiver for the statutory and regulatory requirements of Title I, Part A of the Elementary and Secondary Education Act (ESEA) of 1965 specifically for FY20:

By checking this box, we are requesting to waive the statutory 15 percent carryover limitation. All local educational agencies (LEAs) are eligible for waivers this year. The U. S. Department of Education granted Utah a special one-year waiver to allow carryover of more than 15 percent for all LEAs from school year 2019-2020 (FY20) into schoolyear 2020-2021 (FY21) due to the COVID-19 pandemic. Typically, an LEA may only apply for this waiver once every three years. This special one-year waiver is available to all LEAs even if an LEA received a waiver in the past three years. Beginning with FY22, the regular statutory regulations will apply again.

Certification of Information
