

Utah Career and Technical Education Career Pathway

2017-2018 School Year

CTSO Information
 Career and Technical Student Organizations (CTSO) align with the national Career Clusters® and the Utah CTE Career Pathways.
 FCCLA is the CTSO for students in the Food Science, Dietetics and Nutrition Career Pathway. FCCLA provides students with opportunities to attain the knowledge, skills, and leadership characteristics necessary to succeed in life and careers.

Workforce Trends
 Nationwide, dietitians and nutritionists held 66,700 jobs in 2014. Employment of dietitians and nutritionists is projected to increase 16.4 percent through the year 2024.
 In Utah, a dietitian and a nutritionist must be licensed.

Career Cluster: Agriculture, Food & Natural Resources

Career Pathway: Food Science, Dietetics & Nutrition

Food Science, Dietetics & Nutrition is:
 > High skill

Sample Occupations Requiring:
High School Diploma
 > Nutrition and Wellness Coach
 > Food Product Technician
 > Packaging Manager Product Grader

Certificate
 > Food Protections Manager
 > Food Inspector Assistant
 > Food Sanitation Coordinator

Assoc. or Technical Degree
 > Research and Development Technician

Baccalaureate Degree
 > Career and Technical Education Teacher
 > Dietitian/Nutritionist
 > Food Scientist
 > Nutrition Education Specialist
 > Research Technician

Graduate or Prof. Degree
 > Food Microbiologist
 > Food Nutritionist
 > Food/Research Scientist

Student Testimonial
 "Participating in a CTE Internship helped me to experience the reality of being a dietitian. I participated in a number of activities, including recipe construction, consultations, and food preparation. I learned of the mandatory jobs and skills one must have, the schooling and preparation required."
 Melissa DeFriez

HIGH SCHOOL TO POSTSECONDARY EDUCATION AND TRAINING

There are a number of options for education and training beyond high school, depending on your career goals.

12th Grade	1-Year Certificate	2-Year Associate or Technical Degree	4-Year Bachelor's Degree	More Graduate or Prof. Degree
Certificates are awarded upon the successful completion of a brief course of study, usually one year or less. Upon completion of a course of study, a certificate does not require any further action to retain. In high school a variety of certificates can be earned.		An academic degree is an award for the completion of a program or course of study over multiple years at postsecondary education institutions. In 2015-2016, 73 percent of secondary students who concentrated in a CTE Career Pathway placed in postsecondary education, advanced training, military service or employment (October 1-December 31).		

Utah Business and Industry Facts
 From hospitals to care facilities to grocery stores to schools, businesses and organizations in Utah utilize the expertise of dietitians and nutritionists.
 According to the Utah Department of Workforce Services, there are more than 400 dietitians and nutritionists in the state. By the year 2020, an additional 100 nutrition professionals are projected to join the workforce.

CTE Skill Certificates

Competency-based student assessments, measured by core standards and competencies needed to be successful in the workforce.
