WHO MUST COMPLETE EYE?

All Level 1 educators must complete the EYE requirements appropriate to your area(s) of concentration and be eligible for upgrade to Level 2 when you have three years of verifiable professional experience in a public or an accredited private school in Utah **AND** prior to your Level 1 license expiring. One or two years of licensed out-of-state experience may be used toward the EYE service requirement at the discretion of the employing LEA. Level 1 Educators who are in the Return to Educator program with two or more years of service and have not completed EYE must include the completion of EYE requirements in your Professional Growth Plan. The LEA has discretion in determining the employment or re-employment status of educators. Educators holding a license with more than one area of concentration must complete all EYE requirements for each area of concentration.

Educators applying for a Utah Educator License who have three or more years of verifiable experience from another state or country in a public or an accredited private school may be approved for a Level 2 Utah Educator License after one year of service in Utah.

USOE licensing policy dictates that for a 'year of licensed teaching experience' to count towards upgrade, the following four criteria must be met: 1) you have a current Utah Educator License, 2) you are in a position that requires a Utah Educator License, 3) you are considered the 'teacher of record' for students assigned to you, and 4) your assignment is posted in the *Comprehensive Administration Credentials for Teachers in Utah Schools* (CACTUS) system.

To view your CACTUS record, you must be able to log in to your Utah Education Network (UEN) account.

- Register with UEN at www.my.uen.org, click on "Create Account."
- Log in and scroll to the 'Services/Tools' section of your UEN Personal Page.
- The name associated with your UEN account must match the name in the CACTUS database.
- Click on the appropriate link to enter CACTUS.
- Your CACTUS # will be noted in the top left corner, and other information such as license areas and endorsements, tests, assignment history, etc. are viewable within each tab.

WHAT IS A PROFESSIONAL PORTFOLIO?

The EYE portfolio is a record of your growth, represented through evidence and reflections. The portfolio provides a professional record to guide future professional development and may serve as supportive evidence in future employment interviews. It provides introspection opportunities for you, as well as a conversation tool between your mentor and yourself. The portfolio is designed and evaluated by each LEA according to its own requirements using the following guidelines. The portfolio should:

- be based upon the *Utah Effective Teaching Standards*
- include evidence of effective teaching
- include notations and reflections explaining the artifacts
- be a vehicle for collaboration with the mentor
- provide evidence of content knowledge and pedagogy

WHAT ARE PROFESSIONAL EVALUATIONS?

Utah LEAs are required to observe and evaluate your teaching skills at least twice during each of the three EYE years. Observations and evaluation plans are developed by each LEA. It is recommended that your evaluations be linked to the requirements of the *Utah Effective Teaching Standards*.

WHAT TESTS ARE NEEDED TO COMPLETE EYE REQUIREMENTS?

Praxis II Principles of Learning and Teaching (PLT) Tests

The *Praxis II Principles of Learning and Teaching* (PLT) test is required of all Level 1 educators to complete EYE requirements and qualify for a Level 2 license. The test is designed to assess your pedagogical knowledge. It assesses your understanding of such areas as human growth and development, classroom management, instructional design and delivery techniques, and evaluation and assessment. The test uses a case study approach and features constructed-response and multiple-choice items.

You must pass the PLT test with a score of 160 or greater in order to apply for a Level 2 License. Registration information, current test fees, and practice supports can be found at the Educational Testing Services (ETS) website, www.ets.org/praxis/ut. ETS will forward scores to the Utah State Office of Education upon your request. Please allow 6-8 weeks to receive test results.

Please select the Praxis II PLT test that most closely relates to your license area of concentration.

Early Childhood	<i>Praxis II (5621) Principles of Learning and Teaching</i>

Praxis II Content Tests

To complete EYE requirements and qualify for Level 2 licensure, you must be NCLB Highly Qualified (HQ) in at least one of the NCLB license areas in which you are licensed or endorsed. If licensed or endorsed in a non-NCLB area, you are not held to this requirement.

Early Childhood and Elementary Educators

To become NCLB HQ in **Elementary (K-6 or 1-8)**, you must submit a passing score for the *Praxis II (5001) Elementary Education: Multiple Subject Test*. This test is made up of 4 subtests in Language Arts (5002), Mathematics (5003), Science (5005), and Social Studies (5004). Each subtest will have its own passing score. You must pass all 4 subtests to be considered HQ in Elementary Education. If you are licensed only in **Early Childhood (K-3)**, you may submit a passing score for the *Praxis II (5025) Early Childhood Education Content Knowledge* or 5001.

Secondary Educators Endorsed in NCLB Areas

To become NCLB HQ in Secondary Education subject areas, you must submit a passing score for the appropriate content *Praxis II* test. HQ status applies to educators of core subjects in the following areas: English, Fine Arts, Foreign Language, Reading/Language Arts, Mathematics, Science, Civics and Government, History, and Geography. Additional information regarding HQ status is available at <http://www.schools.utah.gov/cert/NCLB.aspx>.

Special Education teachers

You must be HQ in one area of licensure in order to apply for a Level 2 license. You should consult with your LEA special education department when determining the best test for your educational goals.

SpEd-Secondary subject area endorsements	See <i>Praxis</i> test list for NCLB core subject areas other than English/Language Arts: http://www.schools.utah.gov/cert/NCLB.aspx

WHAT IS THE ROLE OF THE MENTOR?

The trained mentor assigned to you by the LEA acts as a resource for you. Utah State Board rule requires that EYE mentors be trained to successfully carry out their assignment to support you. Mentors should develop appropriate attitudes, knowledge, and skills as described in the *Utah Competencies of a Quality EYE Mentor* to effectively assist you. To see the *Mentor Competencies* go to <http://schools.utah.gov/CURR/educatoreffectiveness/EYE/Mentors.aspx>.

HOW MAY AN EDUCATOR UPGRADE TO A LEVEL 2 LICENSE?

During the three-year duration of your Level 1 license, you are supervised by your employing LEA to complete the EYE upgrade requirements. Upon your successful completion of EYE and any additional LEA requirements, your employer may approve an upgrade for a Level 2 Utah Professional Educator License in the CACTUS system. A Level 2 license may be issued after:

- Three years of licensed academic service (**may be adjusted by LEA due to 1-2 years of verified out-of-state/country experience OR use of temporary authorizations/Alternative Routes to Licensure [ARL] years*) and completion of all EYE requirements,
- Cleared background/fingerprint check per *State Board Rule R277-500*,
- Completed Ethics Review within one calendar year of upgrade,
- Approval in CACTUS by your employing LEA beginning in January of your upgrade year, **and**
- Final payment of the upgrade fee by you. You may access www.utah.gov/teachers, choose "Upgrade to Level 2," follow the instructions and pay the fee online to obtain a copy of your Level 2 Utah Educator License **prior to June 29** of your license expiration year.

One-Year Extension

If a Level 1 educator fails to complete all of the EYE requirements within the three-year period because of unusual or extenuating emergency circumstances, the LEA may request a one-time, one-year extension of the level 1 license to provide additional time for the educator to complete the upgrade requirements. You will find the Level 1 extension form at the following website: <http://schools.utah.gov/CURR/educatoreffectiveness/EYE/Teachers.aspx>. Requests for a Level 1 extension may be submitted beginning in March of the expiration year, but prior to the expiration of your license on June 30.

Upgrade vs Renewal

The difference between upgrade and renewal is that UPGRADE is to go from Level 1 to Level 2 licensure by completing the EYE upgrade requirements. Whereas RENEWAL is to 'renew' the same level of licensure by earning a set amount of points over a license cycle. These are two different processes with the same end goal – keeping a Utah Educator License current. You are completing the EYE program in place of earning points during your first three years of service in Utah. As a Level 1 licensed educator with three years of 'licensed teaching experience', you must upgrade to the Level 2 license because your level 1 license is nonrenewable.

Expired Level 1 Licenses

If your license is due to expire on June 30, of the current year, it is your responsibility to work with your LEA to obtain a Level 2 upgrade or a one-year extension. If the license expires, your employment may be in jeopardy. If your license has expired, you should consult immediately with your LEA to develop a plan to upgrade the license as soon as possible. The following forms and fee are required to upgrade an expired Level 1 license:

- Have a signed upgrade approval from your employing LEA; see the upgrade form at <http://schools.utah.gov/CURR/educatoreffectiveness/EYE/Teachers.aspx>.
- Complete a Level 1 renewal form to verify 100 re-licensure points; see the renewal form at <http://www.schools.utah.gov/cert/License-Renewals/Renewal-Information/Level-1/Level1RenewalForm.aspx>.
- Submit all documentation and upgrade fee to USOE at the address on the upgrade form.

WHAT ARE THE ETHICS REQUIRED FOR UTAH EDUCATORS?

The Utah State Board of Education requires educators to comply with federal, state, and local laws, maintain a safe learning environment, and exhibit appropriate professional educator conduct. Violations of professional standards may result in license discipline. You are responsible for your own professional conduct and should be familiar with Utah State Board requirements detailed in [State Board Rule R277-515](#). All Level 1 educators must complete the Ethics Review at www.utah.gov/teachers within one calendar year of receiving an approval for upgrade to a level 2 Utah Professional Educator License.
