Start Smart Utah Program

Utah code 53G-9-205.1. Start Smart Utah Program.

- Two important requirements outlined in the code
 1. A public-school site participating in the National School Lunch Program (NSLP) must participate in the School Breakfast Program (SBP)
 - Regardless of eligibility criteria all public-school sites operating NSLP must offer SBP by May of 2022
 2. School sites meeting certain eligibility criteria must offer breakfast **after the instructional day begins** (i.e., an *alternative model*) without consequence (e.g., tardy)

Start Smart Utah Program

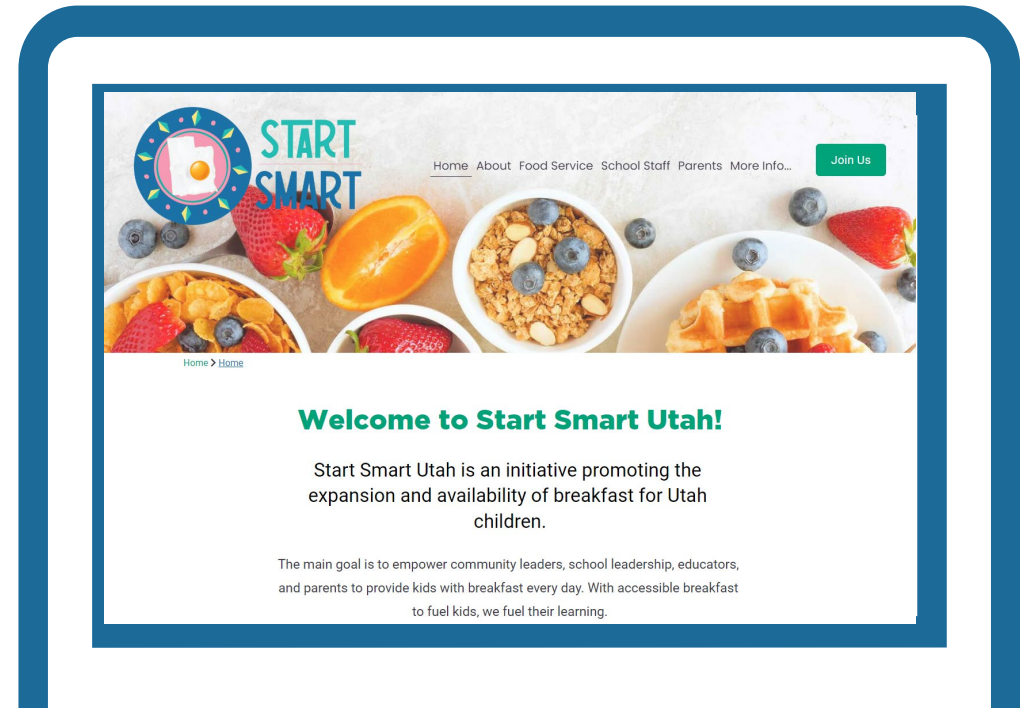

Criteria for alternative breakfast models or “breakfast after the bell”

- Eligibility percentage determined by the most recent October Survey reported by LEAs
 - For school year 2022 – 2023 use the 2021 October Survey
- Implementation must begin by May of that school year
- Implementation timeline
 - SY 21-22 a school site with 70% or more free/reduced eligibility
 - SY 22-23 a school site with 50% or more free/reduced eligibility
 - SY 23-24 a school site with 30% or more free/reduced eligibility

USDA Nationwide Waivers

- Congress did not extend authority to issue nationwide waivers beyond June 30, 2021.
 - Media release sent out to the public
 - SFAs will need to make free and reduced-price meal application available to households to determine meal eligibility for prices charged.

Special Provision Options

- Eligible schools may serve meals at no charge to students during the provision cycle.
- Community Eligibility Provision
 - SFA Directors were notified via email in April if they had potentially eligible sites.
 - Can use data between July 1, 2021 and June 30, 2022 to establish eligibility.
 - Receive free and paid reimbursement based on a formula.
- Provision 2
 - Notify state specialist no later than June 30th if your LEA has one or more schools interested in participating beginning school year 2022-2023.
 - Establish claiming percentages the first year of provision by free, reduced-price and paid for a four-year cycle.

FFVP Grant

The Fresh Fruit and Vegetable Program (FFVP) provides a fresh fruit or vegetable snack outside of mealtimes 2x/week.

- Available to low-income elementary schools.
 - Schools with >40% free/reduced are encouraged to apply.
- Application for SY23 closed April 1st, but a short secondary application period will open in July.
- Total per-school award depends on state allotment from USDA, but is between \$50-\$75 per student.
- Contact kate.wheeler@schools.utah.gov with any questions.

Food Service Management Company (FSMC) Contracts

- Any LEA that wishes to contract with a FSMC must notify the state CNP office prior to starting the bid solicitation.
 - RFP template and instructions will be provided.
- The following must be reviewed and approved by the state CNP office.
 - RFP prior to the LEA publicly posting.
 - LEA public posting methods.
 - Reminder-RFP must be posted for a minimum of 30 days, USDA prefers 45-60 days.
