Instructions for Completing the Application

2. For university courses, attach original transcripts (internet transcripts are not acceptable), *with the courses highlighted*. In some cases, the university course name on the transcript is non-specific, e.g. "Special Topics in Education," or "Language Arts." If this is the case, submit either a syllabus from the course or a letter from the instructor or department verifying that the course meets the requirement. *Transcripts do not need to be in a sealed envelope but must be on the original university transcript paper.*
3. For professional development courses, attach a copy of your MIDAS transcript, *with the courses highlighted*.
4. On the next page, indicate the courses you have completed that satisfy each of the requirements. If the course name and number are not an exact match to those listed on the left (the pre-approved courses) check "other," and record in the box on the right the course you wish to substitute. This includes approved courses offered by NUCC, SUTEC, etc.

Put a check next to the course that appears on your transcript.
