

# Utah Career and Technical Education Career Pathway

## 2019-2020 School Year

**CTSO Information**  
 Career and Technical Student Organizations (CTSO) align with the national Career Clusters® and the Utah CTE Career Pathways.

SkillsUSA is the CTSO for students in the Carpentry Career Pathway. SkillsUSA provides quality education experiences for students in leadership, teamwork, citizenship, and character development.

**Workforce Trends**  
 As construction continues to increase, in the public and private sector, demand for skilled carpenters will increase. Those individuals with the proper training and skills will have abundant job opportunities to choose from.

According to the U.S. Department of Labor, employment of carpenters is projected to increase 8 percent nationwide through the year 2026.

### Career Cluster: Architecture & Construction

#### Career Pathway: Construction & Structural Systems: Carpentry

**Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value.**

**Carpentry is:**

- > High-skill
- > High-wage
- > In-demand

**Sample Occupations Requiring:**

[High School Diploma](#)

- > Cabinetmaker and bench carpenter
- > Woodworkers

[Certificate](#)

- > N/A

[Assoc. or Technical Degree](#)

- > Carpenter

[Baccalaureate Degree](#)

- > Career and Technical Education Teacher
- > Construction Manager
- > Secondary Education Teacher

[Graduate or Prof. Degree](#)

- > Construction Manager

**Student Testimonial**

"The CTE classes I have taken have led me to see that I am interested in a career in construction. With the CTE classes I have taken I have learned many skills needed to go farther in my career. I have learned that I like framing, shingling, and now I found out I like doing the finish mud on sheet rock. Once I finish my schooling I will be able to get a job that I will enjoy and that I can improve throughout my life."

Tyler Stettler

### HIGH SCHOOL TO POSTSECONDARY EDUCATION AND TRAINING

There are a number of options for education and training beyond high school, depending on your career goals.

<b>12th Grade</b>	<b>1-Year Certificate</b>	<b>2-Year Associate or Technical Degree</b>	<b>4-Year Bachelor's Degree</b>	<b>More Graduate or Prof. Degree</b>
Certificates are awarded upon the successful completion of a brief course of study, usually one year or less. Upon completion of a course of study, a certificate does not require any further action to retain. In high school a variety of certificates can be earned.		An academic degree is an award for the completion of a program or course of study over multiple years at postsecondary education institutions. In 2016-2017, 74 percent of secondary students who concentrated in a CTE Career Pathway placed in postsecondary education, advanced training, military service or employment (October 1-December 31).		

**Utah Business and Industry Facts**

According to the Utah Department of Workforce Services, there are 10,467 construction companies in Utah that employ 93,584 workers.

In Utah, a construction manager and a building inspector must be licensed.
