

UTAH SCHOOL SAFETY CONFERENCE

Save the Date

The 2024 Utah School Safety Conference provides a powerful opportunity for K-12 leaders to learn from nationally recognized speakers and acquire best practices and programs that support comprehensive school safety.

June 13-14, 2024 • Riverton, UT

What You Can Expect

Covering a range of critical topics including behavioral threat assessment, community engagement, emergency management, school climate, human trafficking awareness, and mental health, the Utah State Board of Education (USBE) School Safety Center (SSC) is committed to ensuring our schools are equipped with the most effective tools and methodologies from mitigation through recovery.
