

About the SOEP

for parents and students

Purpose of the SOEP:

The Statewide Online Education Program (SOEP) expands access to courses, supports flexibility, and promotes college and career readiness for Utah students

1

STAY ENROLLED AT YOUR SCHOOL

Take online courses through the SOEP while remaining fully enrolled at your local school - no school transfer required. Homeschool students may also participate

2

EARN UP TO 6 CREDITS EACH YEAR

Students may take up to 6 credits per school year through the SOEP, if courses align with their graduation plan and academic goals

3

ONLINE COURSES AT NO COST

SOEP courses are completely **FREE** for Utah students, helping students expand learning opportunities at no cost

4

SUBMIT COURSE REQUESTS

Explore available courses and Online Providers, then submit your course requests in SEATS

5

PLAN WITH YOUR COUNSELOR

Work with your counselor to request courses that support your academic goals and keep you on track for graduation

Questions? Talk with your school counselor, or contact the Utah State Board of Education.
