

SOEP At-A-Glance

for Students and Parents

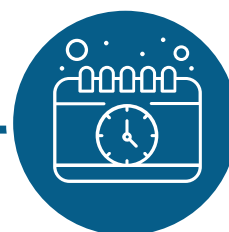

The **Statewide Online Education Program** (SOEP) allows students in grades 6-12 to take up to six credits per school year through an approved online provider.

Access quality online learning, anytime, anywhere.

Personalized learning through technology to meet students' learning styles and pace

Allows students to customize their schedules to meet their academic goals.

Who is eligible?

Utah public and home school students in grades 6-12.

What courses are offered and when?

The SOEP partners with **six** online providers who offer various courses, credit values, and start dates. You may view current course offerings by [logging into SEATS](#) or [visiting the SOEP website](#).

Utah's Online Schools are:

- Canyons Virtual Academy
- Davis Connect
- Innovation Online
- Mountain Heights Academy
- Utah Online School
- Utah Virtual Academy

How do I register?

1. Create an account or log in to the [SEATS website](#).
2. Submit your course request(s) in SEATS and select your online provider.
3. Register for an account with the online provider to access your course if not done previously.
