

H.B. 386 Parent Consent Form

Dear Families,

I am applying to have an innovation program approved for the upcoming school year. House Bill 386 allows for teachers to propose innovative education programs and potentially receive grant funding. In order to apply, at least 20 parents of potential participants must consent for their child to participate, if the innovative program is approved. This form describes the program and grants permission for your child to be a potential participant.

Please select an option below and sign and date the form. Please return the form to _____ by _____. If you have any questions or concerns, do not hesitate to contact me.

- ☐ I grant permission for my child to participate in the innovation program described above.
- ☐ I DENY permission for my child to participate in the innovation program described above.
- ☐ I want to discuss this before signing (please include contact information below).
